## U.S. Will Not Change Atomic Policy—H.S.T.

### Turns Down Any Appeal To Russians

Washington, Feb. 9.—(AP)—Pres. Truman turned thumbs down today on any new appeal to Russia or any change in U.S. policy in an effort to clamp world controls on the A-bomb and H-bomb.

He said the United States is standing on its present peace policies and with one little bit of cooperation from Soviet Russia we would get the job done.

He told a news conference that he sees no reason for changing American policy for international control of atomic energy and other armaments in the light of recent developments.

Working For Peace  
There isn't any use of getting steamed up over this, he added, because we are working all the time to get peace in the world. He fully approved Secretary of State Acheson's statement yesterday ruling out any dramatic new approach to Russia as has been suggested in Congress.

Acheson said the only way to get peace was to create strength in place of weakness in threatened areas throughout the world. He also saw no need for forming a government-appointed group of private citizens to study the problems raised by the hydrogen bomb.

The foreign policy president took up most of the discussion's news conference. At times he appeared unsettled at the line of questioning.

No Power End Strikes  
Interpreters were quick on coal and politics, but there were dismissed with brief retorts. The president said:

1.—He has no power—and is not asking for it—to seize the coal mines to halt the strike in the bituminous fields. This was in reply to a proposal by UMW locals in Illinois that he seize the mines and put the profits from their operations in the treasury.

The president said he had seizure powers in wartime, but they are not in force now.

2.—He read the Republican party's 1950 campaign statement with interest, but thinks the Republican record speaks for itself better than any platform they can write.

The GOP listed "liberty against Socialism" as the major issue. Mr. Truman was asked which one he was for. He laughed and replied he didn't understand that very well.

## Fuchs To Answer Charges Of Spying In Britain Today

London, Feb. 9.—(AP)—The mastermind of Britain's atomic bomb goes before London's chief magistrate tomorrow to answer charges that he gave his knowledge to potential enemies.

He is German-born Dr. Klaus Emil Julius Fuchs, head of the theoretical physics division at Harwell, Britain's atomic city.

One of the two counts accuses him of passing atomic secrets to someone in the United States five months before the first A-bomb was exploded—that is in February, 1945. The other charges that he did the same thing in Britain two years later.

The charges do not say who got the secrets, but the arrest of Fuchs followed an investigation by the United States Federal Bureau of Investigation into Soviet espionage.

The prisoner's father, Prof. Emil Fuchs, 75, protested his son's innocence in an interview in Germany today.

A professor of theology at Leipzig university, in the Soviet zone, he declared the accused man is not a communist "but a freedom-loving opponent of nazism."

## 40 States Get Share Of National Forest Earnings

Washington, Feb. 9.—(AP)—Forty states, Alaska and Puerto Rico received \$7,719,301 from the U. S. forest service today as their share of 1949 national forest earnings.

This was the largest check ever turned over to the states, exceeding last year's record payment of around \$6,000,000.

By law the states share in national forest receipts in proportion to the amount collected from national forests within their boundaries. They get about 25 per cent of forest service net revenues from the sale of timber, grazing fees and similar payments. The 1949 net revenue was \$31,675,321.

Oregon received the largest check from the forest service, \$2,044,693 and North Dakota the smallest, \$38,000.

## If Mediations Fail, Rail Unions To Strike

Chicago, Feb. 9.—(AP)—Two powerful unions have voted for a nationwide strike that could paralyze railroad transportation—but they said they would hold off as long as mediation efforts continue.

The strike vote was announced today by the Brotherhood of Railroad Trainmen and the Order of Railroad Conductors. They claim they represent more than 200,000 operating railroad workers. The unions said

95.5 per cent of the members voted in favor of a strike.

Mediation has been underway for nearly three weeks, but even if these peace efforts fail a work stoppage could not be called at once.

A strike vote automatically brings into action the peace-working machinery of the National Railway Labor Act. This would prevent any work stoppage for at least two months after a strike date is set.

Harry Fraser, president of the conductors' union, said at Des Moines, "as long as mediation talks continue we have hopes of reaching settlement without strike."

Demand for a 40 hour week for hourly workers and changes in rules governing conductors and trainmen were made on the railroads last March 15. Direct bargaining conferences began Sept. 22. The National (Railway) Mediation Board intervened Jan. 16 and has been unable to break the stalemate.

A union spokesman said a strike date may be set late this week or early next week. Under the law, President Truman then would appoint an emergency board to delve into the dispute and make recommendations. No strike could legally take place until 30 days after the recommendations are made.

Police Reported Have Cracked Case Of Rose Robbery

New York, Feb. 9.—(AP)—Police today said they had cracked the \$25,000 jewel robbery of showman Billy Rose's home.

As in many a mystery yarn, the butler was a key, though unwitting, figure in the case. There were no charges against him.

Rose's comely wife, former Olympic swimmer Eleanor Holm, hasn't gotten her jewels back yet. But police nabbed two men who, they said, admitted participating in the robbery of the showman's swank residence last Jan. 26. They were questioning a third man and had a net out for two others.

The roses were at a show at the time of the robbery. Only the Negro butler, James McDonald, was home. Police commissioner William P. O'Brien announced the arrests of Andrew Finnegan, 34, and Alex "Red" Grenlick, 33. They were booked on charges of assault, robbery and burglary. Finnegan was also charged with illegally carrying a gun.

A 13-state alarm was issued, police said, for William Lalamis, 22, and Joseph Vitulano, 21.

Police said they believed the stolen jewels were sold for between \$3,000 and \$3,500 to a "fence."

Rugged Men Appear To Be Ones Who Suffer Thrombosis

Boston, Feb. 9.—(AP)—Rugged men appear to be the humans who—in the prime of life—are most in the shadow of one of the great diseases that strike the heart, coronary thrombosis.

This was the warning sounded tonight from the Massachusetts General hospital after three years' research. And with the warning came a word of hope—hope that in the future such attacks can be forestalled because the body-type of the most-likely victims now is known.

Forewarned, such men may be helped to take steps against the killer-disease which yearly blots out 125,000 to 150,000 American lives. Coronary thrombosis blocks the artery which feeds blood to the muscles of the heart.

"Mesomorphic males"—in the language of the scientist—have been found to be its most frequent victims in middle life.

"Hard, angular and well-endowed with muscle," describes these men, the announcement said.

On the other hand, the ectomorphic male—of light body build, was found least prone to coronary heart disease.

The good news in the announcement, according to Dr. Menard Gertler, directors of the study project, is the hope it holds for prevention of attacks. He co-operated with other eminent doctors and Harvard anthropologist Earnest A. Hooton on the research.

The problem appears to be without precedent. Nor is the answer in anybody's book on etiquette.

The New Orleans states outlining the dilemma in a society pastore today said today "most Orientals feel that visitors to Carnival balls, regardless of their royal status, should enter into the spirit of this make-believe and recognize our King and Queen for a day."

The Duke and Duchess are expected to arrive from Mexico early the morning of Feb. 21.

Question Of Higher Royalty At Mardi Gras Comes Again

New Orleans, Feb. 9.—(AP)—Who should curtsy to whom when the royalty of Mardi Gras and the Duke and Duchess of Windsor meet here Feb. 21—Carnival day?

That is the question—and what a question it is too. Curtsying to the King of Carnival and Lord of Misrule—and his queen—is standard Mardi Gras protocol.

## 400,000 Idled By Coal Strike; More May Follow

Pittsburgh, Feb. 9.—(AP)—More than 400,000 Americans—striking miners and furloughed workers—are idle today because of the coal strike. And unemployment is just around the corner for a half million more if the coal strike doesn't loosen its grip quickly.

A survey showed today that industry has escaped lightly so far. An estimated 35,000 are laid off because of coal shortages. Most of them are railroad or steel mill workers.

Idle in the "no contract no work" mine strike are more than 370,000 soft coal miners, adding the total out of coal and allied industries to more than 405,000.

With the nation stretching out its supply of mined coal, the bottom of the barrel is starting up at big business and small house-holders alike.

The total supply is variously estimated at from a week to three weeks. The nation normally burns up a million and a half tons a day. Nowhere near that amount is being dug by unorganized miners, members of independent unions or those covered by contracts which meet John L. Lewis' terms.

In Indiana, Fuel Commissioner Thomas R. Hutson announced Gov. Henry F. Schricker is preparing to call for an immediate brownpout to conserve coal.

The governor will ask all mayors and town boards to cut the use of electricity, including dimming of the street lights. Citizens and industries will be asked to cut down heating.

Flash Flood Hits Nashville; New Orleans In Danger

By the Associated Press  
A flash flood splashed across Nashville, Tenn., Thursday and a floodway was ordered opened to protect New Orleans from the rampaging Mississippi river.

Storms dumped up to seven inches of snow on parts of Wisconsin and Michigan. Freezing rain glazed Boston and brought an abrupt halt to traffic on all highways leading into the city. There were traffic deaths and a half long.

A two inch downpour of rain and sleet put streets and highways awash all over Nashville and quickened the rise of the swollen Cumberland river. Richard Creek rose out of its banks blocking the highway from Nashville to Belle Meade.

Heavy rains predicted over the upper Cumberland Valley caused U.S. weather forecasters to express concern about General flood possibilities. An estimated 500 persons in the Nashville area left their homes because of the high water and the Red Cross was planning to house evacuees in tents if necessary.

The Cumberland was seven feet above flood stage at Nashville and was expected to go a foot or two higher before reaching a crest predicted for Friday.

GRANDDAUGHTER OF GREAT CZECH WRITER EVICTED FROM HOME

Prague, Czechoslovakia, Feb. 9.—(AP)—The 72-year-old granddaughter of Czechoslovakia's greatest woman novelist has been ordered out of her one-room apartment—while in celebrating the 130th anniversary communist officials led the nation of her grandmother's birth.

Milena Maudrova-Nemcova, granddaughter of novelist Bozena Nemcova, told reporters today she was ordered out of her room to make way for a shock worker (above, quota producer.)

DIES OF HUMAN BITE

Cincinnati, Feb. 9.—(AP)—William Evans, 58, died in General hospital today of blood poisoning resulting from a human bite received in a fight.

Religious Fervor Sweeps 1,500 Wheaton Students Into Marathon Prayer Meet

Wheaton, Ill., Feb. 9.—(AP)—All students and teachers at Wheaton college quit classes today and joined in a non-stop prayer meeting.

A public outburst of religious fervor swept the campus of the non-sectarian college. It fired a marathon testimony session.

Fifteen hundred students went to chapel at 7 p.m. last night to hear an evangelist give a talk.

He was still waiting to talk 23 hours later. His audience still had the floor. And no let up was in sight late today (5 p.m. CST).

Before introducing the preacher, Dr. V. Raymond Edman, the president of the college asked whether any of the students wanted to give a word of testimony or praise "on the blessings of the week."

Ten students got up. One was the school's basketball star. After they got through, others wanted to have their say.

Some told about their private relations with God, and with their fellow men.

This kept up for hours. Midnight passed at 3 a.m. the crowd of 1,500 dwindled to 600. But by dawn the word spread, and after breakfast all seats in the chapel were filled again.

Classrooms were empty all day.

DINE-AND-DANCE SPOTS NOW LEGAL IN JERSEY

Jersey City, N.J., Feb. 9.—(AP)—Dine-and-dance spots became legal in Jersey City today.

The city commission voted unanimously to repeal the ban ordered originally 30 years ago by former Mayor Frank Hague.

Hague, who was ousted from control of the city last year, had branded dining in dining establishments as immoral.

## U.S. Judge Labels 4 Lewis Demands Illegal

Washington, Feb. 9.—(AP)—A federal judge labelled four of John L. Lewis' major contract demands illegal today and drafted an injunction against them, but the ruling does not halt the nationwide soft-coal strike.

However the decision was considered a major setback for Lewis and operators were jubilant. The ruling deprived Lewis of some of his trading cards at the bargaining table.

A fact finding board meanwhile rushed work on its report to President Truman. When he gets it, he can go into federal court and ask for an injunction ordering the 370,000 striking miners back to work for 80 days. Mr. Truman is expected to act next week. Failure to comply with such an injunction could be punishable by fines or even jail terms.

Federal Judge Richmond B. Keel upheld coal operator complaints that Lewis and the United Mine Workers have been insisting on contract terms outlawed under the Taft-Hartley act. His injunction would forbid such conduct pending a decision by the National Labor Relations Board on charges that these demands constitute unfair labor practices.

The court's action means that Lewis will run afoul of the federal court injunction if he insists on:

1. A union shop under which all miners must belong to the union. Lewis has not complied with Taft-Hartley terms under which this union protective device can be used.

2. Use of the miners' welfare fund for members of his union exclusively.

3. A clause saying that the miners work only when "able and willing." Lewis used this to impose a three-day week on the industry this winter to cut down coal stocks and strengthen his bargaining position for a new contract.

4. Provision for "memorial periods" under which nationwide strikes have been called in the past.

Besides these demands, the United Mine Workers have been seeking higher pay and bigger payments for the welfare fund.

Just before the court's decision was announced, President Truman ruled out government seizure of the mines as a means of dealing with the fast-mounting coal strike crisis.

Mr. Truman told his news conference that he does not have such power, does not want it, and that he doesn't know of any government agency drafting a bill of that kind.

Although the Truman administration did resort to seizure to end a 59-day strike in May, 1946, Mr. Truman emphasized today that this was a wartime power which no longer existed.

He already has set in motion the strike curbing machinery of the Taft-Hartley act under the "national emergency" clause which he alone can use. This is separate from that part of the law invoked against Lewis by the operators in an attempt to beat back some of his principal contract demands.

Illinois Welfare Dept. To Take U.S. Dried Eggs, Milk

Springfield, Ill., Feb. 9.—(AP)—The state welfare department plans to take advantage of the federal government's offer to give away dried eggs and milk to the nation's needy.

Fred K. Hoehler, state welfare director, said today that eight cars of dried milk and seven cars of dried eggs are on order for this month.

Hoehler said the food would be used in the state's 28 mental and welfare institutions. He anticipated the commodities would be used up in about two or three months and additional supplies would be ordered if the federal government's offer still stands.

The milk and eggs are being given away without cost but the state welfare department will have to pay transportation charges from federal storage depots.

The give-away order was announced by the federal agriculture department yesterday. It offered \$115,000 worth of dried eggs and milk accumulated in the last two years for distribution through federal, state, and local welfare agencies.

CIT Student Has Best Home Design

Chicago, Feb. 9.—(AP)—Betsy Bell, an architectural student at the Carnegie Institute of Technology, Pittsburgh, today was named winner of a home design contest for women.

Sponsors of the competition, the National Association of Home Builders and the American Builder magazine, said Miss Bell will receive a \$500 prize at ceremonies here Feb. 20.

Sonia Jean Albert, Danbury, Conn., won second prize of \$200. The \$100 third prize was shared by three University of Illinois coeds who submitted a single entry. They are Nancy Hopkins, Margaret Sinclair and Josephine Willrodt.

## West Allies Expect Trouble At East Berlin Celebration

Berlin, Feb. 9.—(AP)—Western leaders tonight laid plans to meet any emergency which may arise May 29 when the influx into Berlin of 500,000 communist youth from East Germany.

The mammoth meeting of the communist youth might be the springboard for some attempt on the part of the communists to wrest control of all the divided city.

The West has forbidden parades and demonstrations in the western sectors—but May 29 is the first anniversary of the East German "people's congress" which set up the Soviet-dominated People's Republic in the East zone. This could provide the excuse for communist propaganda hoops which might be engineered out of the control of the West German police.

Coincidentally, today, as a year ago, the communists once again are shouting about German unity, and this apparently is to be the keynote of the youth rally.

The American, British and French commanders met tonight to discuss the forthcoming event. They made no announcement. But informed sources said they agreed generally to allow the communist youth in West Berlin by invitation of the western authorities, to see what it is like. But, the informant said, there will be ground rules—no marching, no flag-waving, no political demonstrations, no inspired disorders.

House Approves Economic Aid Plan For Korea, China

Washington, Feb. 9.—(AP)—The House approved a multi-million dollar economic aid program for Korea and Formosa today in a move designed to strengthen anti-Communist defenses in the Orient.

The House action, on a roll call vote of 240 to 134, was a sharp reversal of its stand two weeks ago when it rejected the administration's plea to continue the Korean aid by a one vote margin.

The earlier vote was considered a reflection of dissatisfaction in congress with the administration's Far Eastern policy, especially its refusal to grant military backing to the Chinese Nationalists on Formosa.

The new bill wrapped up economic aid to Formosa with help for Korea and this was believed to have gained it some votes.

The new measure would provide \$60,000,000 in economic help for the little Far Eastern Republic of Korea as a supplement to a similar amount congress approved last year. It also would make available for use on Formosa a part of \$103,000,000 China aid fund which the economic cooperation administration is now holding.

TRAPPED IN CAR FOR HOUR AFTER WRECK

Dixon, Ill., Feb. 9.—(AP)—Gordon Swift, 28, of Forreston, Ill., was trapped for more than an hour in his wrecked car Wednesday evening, after it smashed into a parked truck.

He was reported in critical condition today at a Dixon hospital. A state policeman found him pinned in the wreckage and unconscious.

Illinois News Briefs

Catlin, Ill., Feb. 9.—(AP)—Norm Ghibaudi, 42, of Westville, part owner of the G. and M. Coal company mine here, collapsed and died in the mine office yesterday.

Peoria, Ill., Feb. 9.—(AP)—Wallis Boyd, 63, for 17 years Republican supervisor of Littleton Township, Schuyler county, died yesterday.

Joliet, Ill., Feb. 9.—(AP)—Kenneth Bosley, 40, was crushed to death today in a conveyor belt at the Broadway plant of the General Refractories company. The belt was moving stone to be crushed in machinery.

Nokomis, Ill., Feb. 9.—(AP)—Henry Wolters, 61, of R.R. 1, Nokomis, was killed today in a collision of his truck and a freight train at Ohlman, four miles west of here.

Galesburg, Ill., Feb. 9.—(AP)—A piano fell from a gymnasium platform and crushed a 12-year-old pupil to death today at the Weston grade school. Stanley Lee May, 12, son of Mr. and Mrs. Russell May of Galesburg, was the victim.

Benton, Ill., Feb. 9.—(AP)—Dr. Lawrence Moore, 49, of Benton died in Moore hospital here yesterday. He had been ill several weeks. He was a brother of Dr. John Beverly Moore, operator of the hospital. His wife and two daughters survive. Service was held here today.

Chicago, Feb. 9.—(AP)—Charles Neuner, 60, of 6847 Rosewood ave., Hammond, Ind., collapsed and died today about an Illinois Central train as it arrived here from New Orleans. Police rescue squads attempted to revive Neuner, but he was dead upon arrival at St. Luke's hospital.

Streator, Ill., Feb. 9.—(AP)—Collecting stamps became more than a hobby for Virginia Bock. It led her into an international marriage.

Miss Bock now is Mrs. Hans Funk. She became acquainted with her husband, a German, through an international stamp club and the exchange of stamps. They were married Jan. 28 in St. John's Lutheran church, Hamburg, Germany.

Rock Island, Ill., Feb. 9.—(AP)—Clovis Fauceit, 38, bartender at the Farmall Club, was fined \$100 in police court today when he pleaded guilty to possession of slot machines.

Fauceit was arrested Feb. 1, when police seized three slot machines in the club, a private establishment for employees of the Farmall Works, International Harvester company.

## HOW LONG IS TEMPORARY

How almost every emergency tax becomes a permanent part of our tax structure is revealed in the history of the automobile excise tax. The Automobile Manufacturers association points out that "When Congress imposed automotive federal excise taxes 18 years ago, it promised they would be 'temporary' to meet depression needs. Instead of removing the tax, Congress doubled it in 1941 to discourage wartime use of motor vehicles. . . . The tax is still in effect. The association points out that the excise tax adds about \$95 to the average car cost. This is in addition to state sales taxes, of course.

The excise taxes, sales taxes, license fees and extras just about make the list price of an automobile meaningless, the makers point out. They will go before the House Ways and Means committee to argue for repeal of the excise tax on the grounds that the automobile is a modern necessity—not a luxury. To support their argument they say that driving to and from work accounts for 56 per cent of all passenger car trips, and that 89 per cent of all farm products are hauled to initial markets by motor truck. That driving to and from work may have a joker in it. The auto men say it accounts for 56 per cent of the trips, but they don't say 56 per cent of the mileage driven.

But regardless of the merits of their case, the fact is clear that taxes put on the books as a temporary move, have a habit of staying and increasing. If we want to keep our taxes from getting even higher, we are going to have to look over alleged emergencies pretty carefully.

## Public Library Notes

Since Brotherhood Week seems the most important of the many "weeks" celebrated in February this year, the Public Library has chosen for the month's display in the east reading room of the Public Library. The Birthdays of Washington and Lincoln determine the dates for the "Weeks." "Lincoln's Vandalism," a Frontier Portrait by William Barrington and "Lincoln's Secretary," a biography of John G. Nicolay by Helen Nicolay have recently been

## THE DOCTOR SAYS:

### Variety, Location Affect Treatment Of Birthmarks

By EDWIN P. JORDAN, M.D.

Written For NEA Service

There is a common superstition that birthmarks come because of an unfortunate incident occurring to the mother during pregnancy. This has no scientific basis. The claim that when a baby is born with a strawberry mark the mother had an uncontrollable desire for strawberries cannot be proved. Some birthmarks are attributed to a fright of the mother. All of these ideas are not true and do not stand up when carefully studied.

Fortunately birthmarks are usually so small, covered with hair, or placed in such an inconspicuous part of the body that they do not cause any concern. Occasionally, large ones appear on the face of some other conspicuous part of the body where they seriously mar the looks.

Some birthmarks are made up of numerous tiny blood vessels in the skin. Such a "mark" is called a hemangioma. Some are level with the surface of the skin but have a dark purplish color which gives them the common name of port wine mark.

Some birthmarks made up of blood vessels are raised above the skin level and are soft and spongy. These are called strawberry marks. This type may occur anywhere, but it's particularly common around the lips or tongue.

Another common variety of birthmark made up of blood vessels is irregularly shaped and slightly raised. It is called a spider nevus because the blood vessels at the center look like the body while the smaller ones passing outward resemble the legs of a spider.

Some Treatments There are various ways of treating port wine nevus or birthmarks. All aimed at closing off the blood vessels, so that blood ceases to flow through. Carbon dioxide snow may be used for the small ones. These birthmarks require delicate handling, however, as there is some danger of leaving an abnormal skin after the port wine birthmark has been destroyed.

Radium treatment is also effective in some cases. There is also a new type of treatment with what is called the Grenz ray. The same kinds of treatment can be considered for the strawberry mark, or the spider nevus.

In addition to treatments mentioned, I should mention that there is at least one good commercial preparation which can be used to cover some kinds of birthmarks. This comes in different colors and can be matched to the skin of the individual and applied once a day or so. It has saved a lot of self-consciousness and distress, but of course is not claimed nor has any value, as a cure.

## Births

A daughter was born to Mr. and Mrs. Charles Barber, 116 West Greenwood avenue, Thursday at 10:30 a. m. at Barnes hospital in St. Louis.

Mr. and Mrs. Charles Otto, 211 South Fayette street, are parents of a daughter; born Thursday at 4:28 a. m. at Passavant hospital.

ENTERTAIN NEIGHBORS CLUB AT CARD PARTY Mr. and Mrs. Harry Hansen entertained the S. C. neighbors' club at a Valentine party Tuesday evening at their home. The hours were spent playing buncle and rook. Prizes were won by Mrs. Reat Moody, Mrs. Roper Hopper, Frank Halligan, Dwight Hopper and JoAnn Hopper.

Mr. and Mrs. Earl Baxter were guests.

At the close of the evening refreshments were served. The next meeting will be held March 11 with Mrs. Charles Bealmeier.

## The Cold War on the Home Front

## Coon Goes To Church; Leaves Chaotic Trail

By MARI KALER DEUTSCH

"The coon who went to church" is the principal topic of conversation these days among folks in the Arcadia neighborhood.

Whether his visit to the Arcadia church was brought about by religious motivation or not is questionable. His behavior in church wasn't that of a good little coon, though, judging from the chaos he created.

Entering in a most unconventional manner, the coon slipped through the chimney and down through the blue leading to a large old fashioned road oak stove situated in the center of the one-room building.

It's guessed that he changed his mind and tried to get out, but found himself stuck. He apparently started wriggling and caused so much vibration that the pipe broke, throwing coon, pipe and soot on the floor.

Running Wild The coon got a little panicky and started running wild. He knocked over the coal bucket, climbed all over the walls and the high windows and ripped every shade from the six windows, leaving a trail of soot everywhere he tracked. He even climbed all over the door in his efforts to get out.

He must have decided to eat his way out, starting with the plywood sidewalk. After nibbling a circle about five inches in diameter, he gave up.

Still determined, he started climbing walls again, digging his claws in deeply to give him secure footing. Working his way over to the flue, he went up the chimney, across the roof, down the side of the building and was once again free to wander.

He must have spent five or six days in the church, for people in the neighborhood began noticing the shades disappearing several days ago. They didn't pay much attention, though, thinking that they were probably old and had just fallen.

It was not until this week, however, that Charles Cook, who was doing some work at the Arcadia cemetery, discovered the turmoil. He peeked in the window and sighted the soot-laden interior, the overturned chairs, the torn shades, the pipe on the floor and the big hole in the wall.

Mystery Solved Upon further investigation, the tracks leading from the chimney were discovered and the mystery was solved.

The church, which is a white frame building with a wooden shingle roof, has been standing since 1875. It is adjacent to the Arcadia cemetery, north of Jacksonville, and is used only for funerals and special services. There is no pastor and no regular membership.

Redecorated just a few years ago, the church has been kept up regularly and is, or was, in good shape.

The escape of the little coon has caused much amusement. However, the laughing will cease when the women of the neighborhood undertake the tremendous job of cleaning up.

## ENGAGED

MARY JEAN WALKER

Mr. and Mrs. Darnell Walker, 1130 East Independence avenue, have announced the engagement of their daughter, Mary Jean Walker, to George Junior Flowers, son of George Orval Flowers of Virden.

No date has been set for the wedding.

## MERRITT

Merritt—Mr. and Mrs. Harvey McGlasson and family moved last week to a farm in the Hart community, east of Winchester.

Joe Ash is confined to his home with an infection of the hand.

Mrs. Lola Funk entertained the Merritt WSCS members and their friends with a potluck dinner at noon Tuesday.

Misses Hester and Pearl Kory spent the weekend at Hardin with Mrs. Margaret Ringhauser.

Howard Hurrelbrink, Harold Morris and Lewis Kory attended a sale in Pittsfield on Thursday.

## Boyle's Column

### From Foxhole To Grammar School

By Hal Boyle

New York —P— A young army hero who won the nation's highest award for valor at the age of 18 now is attacking an educational objective. "I want to finish grammar school," said Master Sergeant James R. Hendrix. "After all I'm 20 now, and I ought to be getting on with my schooling. I want to 'earn all I can'."

The stocky, red-haired, freckle-faced paratrooper, who came here to appear in a film short for the American Cancer Society, plans to attend a school at Camp Campbell, Ky., his present base.

"I only got to the fourth grade before the war," he grinned. He said he quit to go to work so "the younger kids" could have a chance. He is the second oldest of 14 children in the family of a Lepanto, Ark., cotton farmer.

Hendrix went through 8 months and 21 days of Doughboy combat overseas without a scratch. On Christmas eve, 1944, in Belgium he went on a daylong battle rampage that won him the congressional medal of honor.

Between dawn and dusk he: 1. Pulled three wounded American soldiers from flaming vehicles.

2. Drove the crews away from two 88 field guns by his rifle fire.

3. Destroyed two enemy machine gun positions.

4. Killed 7 Germans with his rifle.

5. Captured 13 other Germans.

"All I got was a few bullet holes through my clothes," he recalled.

As a medal of honor winner, he could pick his branch of service. So he transferred out of the armored infantry into an airborne division, which had turned him down earlier because of his color blindness.

Last September he had another miraculous escape from death. While making his eighth jump from a plane, both his chutes failed to open, and he plunged 1,000 feet to the ground. The durable Hendrix was not even dented.

"But I did make a two-and-a-half-hole in that plowed field," he laughed.

Since then he has made six more parachute jumps without incident.

Hendrix hopes to put in 30 years of service, retire at 48 to an Arkansas farm "and raise cows, hogs and chickens."

When I asked him if there wasn't anything in the world he was afraid of, Jim thought a while and said: "No. I guess I can't think of a thing right now I'm a-skeert of. Well, if I am a-skeert of anything, I guess I'm a-skeert of dying."

## HILLVIEW CHURCH TO HAVE REVIVAL

White Hall—The Hillview Baptist church will hold a revival at the church beginning Feb. 13 and continuing through Feb. 25. Rev. Bill Beeny will be speaker for the series of meetings, at 7:30 each evening, with special music. The pastor of the church, Roy Jerrell, will be song leader.

The public is cordially invited to attend.

## Red Tape Changes Number

Sierra Madre, Calif. —(AP)— The

government is building a post office address as 303 when they mailed ap- on its records," he said.  
at what should be 309 Sierra Madre aproval of the new site. "We decided, Electricity provided only 5 per  
St. But the number on the building it would be simpler to change the building number than risk involve- cent of the power used in manu-  
will be 303. Inspector William Lees explained ment in red tape by insisting that facturing in 1899, but, by 1929, this  
that officials erroneously listed the the government change the number had increased to 90 per cent.

**SUBJECT TO POLL TAX**—George Blair, 63, of Detroit, Mich., has willed his entire estate, estimated at \$40,000, to his poll parrot "Bob." Blair, a widower with no immediate family, says the parrot has been his constant companion for many years and deserves a good home. Upon Bob's death, the estate will go to an institution for the blind.

**CRIPPLED DEER SURVIVES**  
yearling six years ago. Despite the  
adage that only the fit survive in  
the wild, he has been seen each year  
since. Although he still has a pro-  
here is "Lumpy," a buck deer with  
nounced limp, he's reported hale  
and hearty despite efforts of hunters.  
Ranchers say he was shot as a  
wolves and other predators.

## RENTOX GIVES KIDNEY RELIEF AFTER OTHER REMEDIES FAIL

Mr. J. Goldfuss, 511 S. 9th St., Springfield,  
Can Now Get A Good Night's Sleep.

"I am 76 years old and have been trou-  
bled with a kidney ailment for over  
seven years. I had to get up six or seven  
times each night and was even boild-  
ered during the day. I have tried every  
kidney remedy that I have ever heard  
of but they did very little good. I saw  
Rentox advertised and decided to start  
using it. After a short time I began to  
get relief and I now find I do not have  
to get up more than once a night. I  
believe Rentox is definitely a wonder-  
ful medicine and would recommend it to  
anyone suffering from the ailments that  
caused me so much distress."

**HUNDREDS ENDORSE RENTOX**  
H dreds of people have found Rentox  
to be just the medicine they have been  
looking for. Rentox quickly eliminates  
contaminating poisons from the system.  
Helps kidneys and bladder. Expels gas  
and bloot. Relieves constipation, head-  
aches, pains in the neck, shoulders,  
back and hips. Helps to build rich, red  
blood. It contains no calomel, opiates  
or narcotics and will not gripe, nauseate  
or make you sick. It can be taken by  
every member of the family.  
Rentox contains 26 splendid medi-  
cal agents which can help you back to  
better health and happiness.  
Why not go to your druggist today  
and ask for a bottle of Rentox Com-  
pound? Be sure you get the genuine  
Rentox. Accept no substitute.  
The endorers of Rentox are busy with their own affairs. Please don't contact  
us. We will pay \$100.00 if we cannot produce the above testimonial

You will be served seven ounces of good fresh sausage.  
All you ought to eat.

**ALL THIS FOR ONLY  
\$1.00**

NOTE: We would suggest that you try to  
avoid the rush from 12:00 to 1:15 and from  
6:00 to 7:30.

**COME TO COSGRIFF'S CAFE  
AND  
EAT PANCAKES ALL DAY**

## Gables Win In Bremen

Bremen, Germany —(AP)— Every  
once in a while the Germans show  
ns of rebelling against the bureau-  
cracy that has plagued them since  
long before Adolf Hitler's days. That  
makes American occupation officials  
happy.

A case that encouraged the Amer-  
icans was Bremen's "battle of the  
gables." The Bremen Board of Con-  
trol of Building Affairs decided that  
new buildings in the business dis-  
trict should not have gabled roofs.  
A lively public discussion followed,  
with Bremen's architects, art experts  
and ordinary citizens protesting.

Carl Ronning, a coffee merchant,  
defied orders and built a gabled roof.  
Authorities ordered him to tear it  
down. That really stirred up public  
reaction. And the ban on gables was  
rescinded.

## DURBIN

Durbin — Mr. and Mrs. Fred  
Sinkerton have received word that  
their daughter, Mrs. Clare Huff of  
Alameda, Calif., has returned from  
the hospital and is slowly improving.  
Mrs. Luvenia Scott and daughter,  
Myra, and Harvey Scott visited in  
Girard with Mr. and Mrs. Howard  
Browning and family.  
Judy Wells and Carolyn Chism  
were guests at the home of Mr. and

Mrs. Prince Francis and family.  
Mr. and Mrs. Edgar Oxley visited  
here with Mr. and Mrs. John Oxley.  
Mr. and Mrs. Floyd Smith and  
daughter of Murrayville and Mr. and  
Mrs. Lawrence Short of Lynnvile  
spent Sunday here with Mr. and Mrs.  
Leroy Smith.

Mrs. Zora Ryan of Jacksonville  
visited here with Mrs. Oscar Har-  
mon.

Mrs. Iona Thompson of Jackson-  
ville was a recent guest of Mrs. Mil-  
ford Rees.

Eugene Francis has been ill at  
his home the past week.

Mr. and Mrs. Leroy Smith attend-  
ed Farm and Home week at the  
University of Illinois.

**BOYS COLLECT ONE SMILE**  
Bloomington, Ill. —(AP)— John Bran-  
aman is 80. He lived alone in a shack  
until fire turned it into a charred  
ruin. All he had left were the clothes  
on his back.

Then three small boys went from  
house to house. They collected a  
purse for Old John. It added up to  
a few pennies less than \$14. It was  
enough to bring a toothless smile to  
a time-seamed, weary face.

During the 1932 jigsaw puzzle  
boom, 3,000,000 were being manu-  
factured weekly, and \$10,000,000 was  
spent on them in the year.

On one of his journeys to Asia,  
Marco Polo learned the secrets of  
making water and milk ices and  
brought back the recipes to Italy in  
the latter part of the 13th century.

**SAVE THE FISH**  
Santa Ana, Calif.—(P)—Members of the Isak Walton League have worked out a check dam project which permits year-around living conditions for stream fish in this water-scarce area.

Using funds from Santa Ana county's share of fish and game law fines, the group built 27 small dams in series of three and four, to back up water into pools.

## Students From Other Lands To Visit Concord

Concord—Race Relations Day will be observed Sunday, February 12, at the Methodist church of Concord and Arenzville. A group of students from Illinois Wesleyan University at Bloomington will visit both churches to lead the worship service. Three of the young people will be foreign students who are studying at Illinois Wesleyan. Some members of the group will provide special music. A special offering will be taken for the support of the 14 Negro colleges and graduate schools owned and maintained by the Methodist church. At noon a basket dinner will be served at the Concord church with the students as guests.

The Arenzville church will observe its quarterly bible social at 6:30 p.m. Sunday, Feb. 12 with a pot-luck supper. After the supper the Wesleyan students will present a varied program in which the foreign students will tell about their native countries.

The Ladies Aid of the Christian church met Thursday at the home of Mrs. Grace Ogle. Mrs. Ella Abernathy was in charge of devotions, and read the 19th Psalm and a written prayer by George Elliston.

An interesting letter from Mrs. Eva Cooper was read by Mrs. Nellie Newton, who also reported on the sending of Christmas cards to friends for the society. Roll call was answered by seven members. The meeting was dismissed by repeating the Mizpah. During the social hour a paper entitled "Your Neighbor And Mine" was read by Mrs. Ogle. Refreshments were served by the hostess.

Children love vanilla topped with individual dishes, topped with a little crushed peanut brittle or a cherry.

## MANCHESTER

Manchester—Mr. and Mrs. Charles Henderson have moved here from Jerseyville. Mr. Henderson operates a barber shop in the J. C. Robinson building on the square.

Mr. and Mrs. J. C. Springs of Shawneetown are parents of a daughter born recently. Mr. Springs formerly lived here and taught in the Manchester High school.

ed in Alsey with Mrs. Minnie Bow-George Powers and family of Quincy were Sunday dinner guests of Mr. and Mrs. William Crockett and family were Sunday afternoon guests of Mrs. Jackson's mother. Mr. and Mrs. Henry Jones spent Sunday with Mrs. Effie Jones of Murrayville.

Mr. and Mrs. Charles Severs were supper guests at the home of Mr. and Mrs. Dick Peters and family. Mr. and Mrs. Charles Travis were Sunday dinner guests of Mr. and Mrs. Claude Boston of Roodhouse.

Mrs. Violet Travis recently visited of G. A. Cooper. Mr. and Mrs. Keith Hart and family of Edwardsville visited relatives here Sunday. Brilliant-Savarin, bearer of the greatest name in the history of literature of cookery and author of the classic "Taste" was not a cook of but a French judge.

# Neatness Pays Pfc. Spiers On Trip To Texas

Pfc. Billy W. Spiers of Franklin, a veteran of four months' service, has marked his career as an airman with a commendation from the commanding general of Sheppard Air Force base. He was commended for his military bearing and being neat in appearance while on travel status.

Pfc. Spiers was traveling from his home at Franklin where he visited his parents, Mr. and Mrs. Fred Spiers, when the incident happened which led to his receiving the commendation.

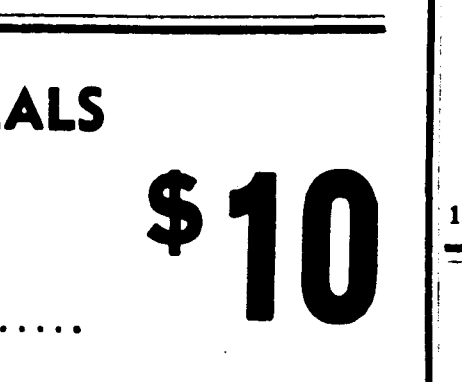

Union bus station at St. Louis was the scene of the incident. Spiers was approached by the military police while in the station. He was asked for his name, rank and organization, and then informed that he was the first serviceman who had appeared at the bus station that day wearing a neat, proper uniform.

The military police forwarded the commendation to Brig. Gen. Emil C. Kiel who presented it to the Morgan county soldier, who is 18 years old. Spiers has just completed his basic training at Lackland Air Force base. He is presently assigned to the 376th Training Squadron and is the third Sheppard airman to receive such an award.

A RELIEF PARTY from a rescue ship feels its way ashore through ice floes to rescue 11 British scientist-explorers marooned in icy wilderness of the Antarctic for several years.

HERE IS ONE Hollywood marriage that has lasted. Head of the family is John Farrow, movie director and screen writer. His wife and mother of his six children is Maureen O'Sullivan.

STRANDED AND STARVING in one of the most severe winters since the turn of the century in the Naches, Wash., area, elk raid a Cascade mountains state game farm in search of hay.

SELECTED by a committee of heads of various security agencies charged with waterfront protection, Linda Swanson reigned as Miss Port of New York on Port of New York Day. The day also was set aside to hail opening of a new movie.

FLANKED BY PRIESTS of the Pallottine order and encased in a glass casket, the body of the newly beatified Vincenzo Pallotti is carried from a Roman Catholic church in Rome, Italy.

## IT'S A-MAZE-ING

ALL the techniques of the auto industry are used in Cleveland Welding company plant where bicycles are mass produced in a maze of overhead conveyors and on-the-floor assembly lines. Each employee is an expert at his one job. Bicycle designers carefully observe the latest trends in automotive design and styling. Many of the bikes produced here have an auto-type brake-operated spotlight, Gothic fenders, coil spring forks, wide base automotive-type rims and a spra-bonderized, baked-on-enamel finish.

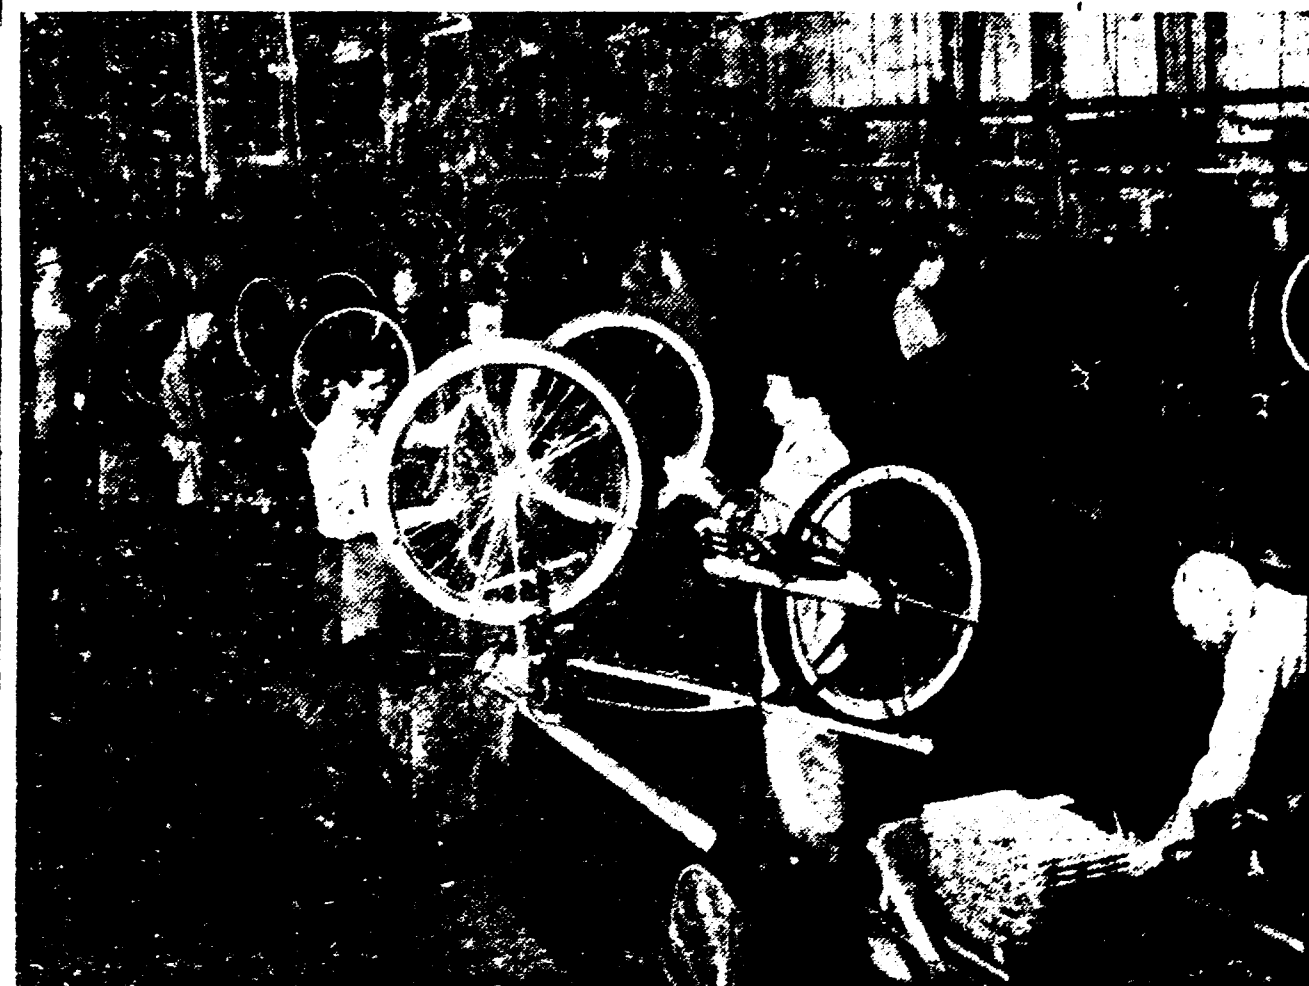

Jane Karna is all set for an outing on her new luxury bicycle.

Dexterous girls remove rims from an overhead conveyor, insert spokes and assemble brakes.

Bicycle frames are painted by spray guns, striped by hand.

Wheels are trued, spokes tightened and tires inflated as bikes roll off final assembly line.

# GOOD YEAR "TRACTIONIZING"

WILL GIVE YOUR TIRES **SUPER TRACTION!**

Goodyear's amazing new machine — the "Tractionizer" — will give your present tires a "cat's claw" grip on wet, slippery roads... and do it right on your car!

Tractionizing is the BEST method known to give tires extra grip on wet, slippery or icy roads! This method uses no recapping materials mixed with sawdust or abrasives that fall out, leaving a number of tiny holes riddled through the entire thickness of the tread. Goodyear Tractionizing "lathes" its thousands upon thousands of rough-edged holes only into the top part of your original tough tread where it does the good.

- No extra tires to buy.
- No waiting for a special recap job.

See us for Tractionizing NOW!

**SPECIAL INTRODUCTORY OFFER**  
**ONLY \$2.00 PER TIRE**  
(\* patent pending)

## CHICAGO LIVESTOCK MARKET REPORT

Chicago, Feb. 9.—(AP)—Hogs were mostly steady today, although in the early market some sold 25 cents higher and the closing trade was weak. Cattle were steady to 50 cents higher and sheep firm to 50 cents up. The latter class moved to the top to \$26.50, a new seasonal high and the most paid since last July 12.

Barrows and gilts fetched \$15.25 to \$18.00, the day's top, and sows made \$13.00 to \$15.25.

High-grade choice fed steers and yearlings ranged from \$30.00 to \$34.00 and medium and good types were \$22.50 to \$28.25. Medium and good heifers brought \$22.00 to \$26.00. Beef cows and fat beef bulls topped at \$20.00 and choice steers at \$33.00.

Most woolled lambs sold from \$25.50 to \$26.25 and short kinds from \$24.25 to \$24.50. Ewes took \$13.00 and below.

Estimated receipts on sale included 7,000 hogs, 3,000 cattle, 200 calves, and 4,500 sheep.

## CHICAGO CASH GRAIN

## They'll Do It Every Time

## By Jimmy Hatlo

AS I WAS SAYING TO MY FRIEND SENATOR FLUKE—WHEN I WAS IN BERMUDA THE FIRST TIME, I MET THE MARQUIS DE BABA—HE HAS HUNDREDS OF RACE HORSES Y'KNOW... WELL—THE RAJA OF MAJAH WAS THERE, TOO—ALSO A HOUSE GUEST—WELL...

DOESN'T SHE KNOW ANY POOR PEOPLE?

SHE'S A NAME DROPPER—GIVE HER TIME—SHE'LL RATTLE OFF THE PONIES' PEDIGREES TOO...

I WONDER DOES SHE REMEMBER THE TIMES I TOOK HER TO THE STEAM FITTERS' BALL?

I KNEW HER WHEN SHE THOUGHT BERMUDA WAS AN ONION...

LISTENING TO THE GAL WHO SOUNDS LIKE THE APPENDIX OF BURKE'S PEEPAGE...

THANK TO MARIE GAMBUT, SINGAPORE, N.J.

## COAL STRIKE HAS INFLUENCE ON MART

Chicago, Feb. 9.—(AP)—The coal strike had an influence in what at first glance might appear to be an odd place today—the grain pits on the Board of Trade.

Grains staged a fair sized advance, although volume was not heavy, on news of an additional cut in railroad freight car service, which was a result of the coal strike.

Traders reasoned that shipment of grain to terminal markets might be reduced as a result of the railroad action. In addition, the Illinois waterway, usually a good means of transporting grain to this market, closed down for repairs to the locks at Lockport, Illinois.

A further stimulus to buying, particularly in the new crop wheat deliveries, was another day without moisture in the western plains. The new crop in that area needs rain.

Receipts were: wheat 12 cars, corn 121, oats 20, rye 2, barley 7, soybeans 10.

Wheat closed 11-12 higher, March \$2.17 1/2, corn was 1-12 higher, March \$1.27 1/2, oats were 1-11 higher, March 73 1/2, rye was 1 to 1 1/2 higher, May \$1.29-1.28 1/2, soybeans were 1-12 higher, March \$2.31-2.31 1/2, and hard was 15 to 20 cents a hundred pounds higher, March \$10.55.

## New York Stock Market

New York, Feb. 9.—(AP)—A steady buying drive pushed stock prices up over a broad front today.

Gains running to a point or more appeared in most major groups, lifting many stocks to new 1949-50 highs.

Trading never reached the run-away stage but a continual flow of orders into the market boosted volume to around 1,800,000 shares for the full session.

Corporate bonds moved narrowly.

## Markets At A Glance

New York, Feb. 9.—(AP)—Stocks—Higher; television and aircraft in demand. Bonds—Firm; rails in demand. Cotton—Irregular; commission house profit taking, mill buying.

Chicago

Wheat—Strong; rain needed in western plains. Corn—Firm; free freight car reduction decreasing receipts. Oats—Firm; followed corn. Soybeans—Firm; short covering. Hogs—Mostly steady; top \$18.00. Cattle—Steady to 50 cents higher.

## Cards of Thanks

George N. Winger

We wish to thank Dr. Wolfe, Dr. Neilson and entire Passavant hospital personnel for services and acts of kindness during the illness of our father and brother; also neighbors, friends and relatives for their helpfulness during his illness and after his death.

The Children,  
Brothers and Sisters

We wish to thank all our relatives and friends for the many cards, toys and flowers sent to our son, Jans Lee Walker, while he was a patient at St. John's Children's hospital in Springfield, Ill., and at McMillan hospital in St. Louis, Mo.

Mr. and Mrs. Ray Walker, Jr.

We wish to extend our sincere thanks to everyone who was so kind and helpful to us during our recent bereavement.

Mrs. Jack Escorcia and children  
Brothers and sisters  
Mr. and Mrs. Guy Plunkett and family.

## UNDERGOES SURGERY

Miss Mary Ann Coates, daughter of Mr. and Mrs. Glenn Coates of Winchester, underwent a surgical operation at Passavant hospital Wednesday.

# Full Program For Jacksonville Basketball Fans Tonight

## Murrayville, Chapin Will Meet In Finals Of Morgan Grade Meet

Murrayville and Chapin moved to the finals of the Morgan grade school tournament at South Jacksonville by defeating the host club and Waverly handily in the semi-finals last night.

Consolation and championship games will be played off at the new gymnasium Saturday night. There will be no games this evening.

Murrayville's shifty shadows, owned Merle Wade's South Jacksonville hosts 49-26 in the first game and Chapin socked Waverly 34-13. Neither team had trouble with the opposition, leading all the way to the wire.

Audenkamp of Chapin led his team's scoring, pushing in 16 points. Woods and Handy scored four each for Waverly.

Waverly's guard, was high point man of the evening with 14 for Wade's youngsters.

## Eureka Defeats Carthage 74-60

Peoria, Ill., Feb. 9.—(P)—Eureka college defeated Carthage college, 74-60, in a non-conference basketball game here tonight.

The contest was the opener of a double header. Bradley university opposed Hawaii in the nightcap.

Eureka enjoyed a 34-18 halftime margin.

Dick Broers, of Eureka, topped the scoring with 27 points. High for Carthage was Rex Thomson with 17.

## Haas, Jr., Palmer Tie In 1st Round Of Texas Open

San Antonio, Tex., Feb. 9.—(P)—Big Fred Haas, Jr. of St. Paul and chubby Johnny Palmer of Badin, N. C. fought chilling north winds and unpredictable greens today for three-under-par 68's and a tie for the first round lead in the \$10,000 Texas Open.

Haas' putter worked like a charm as the tall man from the south ripped what they said was a tough Port Sam Houston course apart with a 34-34.

Palmer, playing the same course— a 6,426-yard lay-out with a 35-36 par—wasn't too hot on the greens but otherwise his game was as dead-end as they come. He did the first nine in 33 and came rolling home with a 35.

Tied at 69 were Ralph Blomquist, Glendale, Calif.; Al Brosch, Garden City, Long Island, N.Y.; Lew Warden, Oakmont, Pa.; Jimmy DeMaret, Ojai, Calif.; J. T. Hammett, Breckenridge, Tex.; and Harold B. Ridgely of San Antonio.

Deadlocked at seventy were Cary Middleoff of Ormond Beach, Fla., the National Open champion; Rod Munday, York, Pa.; Toney Penna, Cincinnati; Bob Hamilton, Landover, Md.; Ted Gwin, Tulsa; George Fazio, Conshohocken, Pa.; Dick Metz, Virginia Beach, Va.; Iversen Martin, Graham, Tex.; Gene Dahlbender, Mamaroneck, N.Y.; and amateurs Jim Beardsley, Kingsville, Texas; and Bud McKinney, Dallas.

A field of 308 teed off in the opening round, playing on 20 courses. There were more than 320 entries but withdrawals and failures to show up cut it down. However, it still was the biggest field ever to hear the gun in the Texas open.

Part of the field played Brackenridge Park course, which will be the scene of the final 36 holes Saturday and Sunday. This course is 6,400 yards with a par 36-35.

## Routt Host To ISD, Carlenville At JHS, IC Invades Millikin

**LOCAL**  
ISD. at Routt (7 and 8:30 p.m.)  
Carlenville at JHS. (7 and 8:30 p.m.)

Bluffs at Perry  
Roodhouse at Carrollton  
Chapin at Mt. Sterling  
Greenfield at White Hall  
Virginia at Ashland  
Northwestern at Arenzville  
Jerseyville at Winchester  
Pittsfield at Notre Dame

## Favorites Win In YMCA Double Elimination Meet

Play in the YMCA Double Elimination Tournament progressed further last evening with three more games being played.

The initial contest found the favored Winchester V. F. W. quintet opposing Farmer's Auto Sales. With Tommy Comerford leading the way with 25 points they handily tamped the "Salesmen" 45-37.

The local Amvets Club bowed to White Hall 66-25, and Farmer's Auto Sales, playing their second game of the evening, clipped Franklin 58-47.

Play will be resumed Monday February 13, with three more games on tap, beginning at 7:15 p.m.

**HARD HITTERS HERE**—Catcher Del Rice, on the punching machine, and the left-hand relief pitcher, Ken Johnson, punching the bag, are hard hitters at St. Louis athletic club, preparing for spring training with the Cardinals.

Like the robin in your front yard were hopping from typewriter key to key announcing the coming of spring, Jacksonville's minor league baseball players, Stan Spotts and Charlie Due, have been assigned to teams—Spotts will report to Wells-Ville, New York, of the Pony league and Due will go to Emporia, West Virginia of the Virginia state league. Both are class D.

Spotts has returned from Jack Rossiter's baseball school in Cocoa, Fla., and told that Francis Bunch and Ralph Race are still working out in the southern sunshine. They have not been signed.

Lefty Jim Upchurch, who pitched the Beardstown high school nine into the state finals in 46, has come up in the baseball world. After a successful season in the Texas State league last season, big Jim has been ordered to report to the parent St. Louis Browns for spring training this year. The Beardstown youth is in the right organization for quick promotions—like the air corps in '43.

Tipsey Tipster, long dormant, came out with the groundhog Feb. 2, didn't see his shadow, so decided to stick around for a few days and call some basketball shots. Here are his predictions for tonight's games. Illinois College over Millikin by a shoulder and throat (Bob Grove's shoulder and Bill Shouse's throat), JHS to revive with a win over Carlenville and Routt to score a more decisive victory over Spike Wilson's willing but small ISD gang.

Out in the country Tipsey sees this in the stars: Chandlerville past Kilbourne, Meredosia over Chambersburg easily; Bluffs to surprise Perry much as they've been starting all their opponents the past week; Carrollton over Roodhouse in a breeze; Mt. Sterling over Chapin; White Hall over Greenfield; Virginia over Ashland (a repeat); Northwestern above Arenzville; Winchester over Jerseyville (can the Panthers stop the hot-shooting Wildcats?); Pittsfield to top Notre Dame of Quincy (no trouble there); Lanphier over Beardstown; Franklin's up and coming Flashes to whip New Berlin and Waverly ditto Vir-

## Disclose Tentative Plans To Make Jacksonville Site Of State Softball Tourney

Jacksonville's northside diamond may be the site of the Illinois Amateur state softball tournament, Recreation Club President Russell Kelley announced at the organization's regular bi-monthly meeting last night.

Byron "Boss" Hogan, ASA commissioner from Springfield, made the tentative statement to a Recreation Club committee last week. The Regional tournament will be conducted in Decatur and Jacksonville will probably get the state contract.

President Kelley appointed working committees for the coming softball campaign. League play will begin the first week in May, the softball committee, headed by district commissioner Herschel Heaton, announced.

Three new members were welcomed into the club. They are Claude Vasey, "Heinie" Semmers and E. D. Decker.

Plans for a four-team twelfth baseball league were discussed. The Recreation Club softball committee for the 1950 campaign first named men as chairmen, are: Senior and junior grounds committee—Earl Moore, Cetus Graves, Charles Desilva, Howard Arnold, Claude Vasey.

Users, ticket takers—Joe Fisher, Earl Moore, Charles Bellotti, Senior softball—Herschel Heaton, Bob Merris, Joe Fisher.

Junior softball—Howard Arnold, Wallace Baptist, Claude Vasey. Umpires, scorers, ball chasers and first aid—Charles B. Dade, Dale Beatty, Herschel Heaton.

Booking, publicity and news—Milton Edge, Barney Lewis, Harold Lant.

Finance, purchasing, bedding and concessions—Wallace Baptist, Ralph Cowgour, Robert Kaufmann.

**CHINA LOVERS MARRIED**  
Dysart, Iowa, Feb. 9.—(P)—A couple whose romance began when they were interned as members of U.S. Mukden, China, were honeymooning here today. Mary Braden, of Dysart, and Fred E. Hubbard, of Altamont, S.D., were married last Friday at Washington, D.C.

Out in the country Tipsey sees this in the stars: Chandlerville past Kilbourne, Meredosia over Chambersburg easily; Bluffs to surprise Perry much as they've been starting all their opponents the past week; Carrollton over Roodhouse in a breeze; Mt. Sterling over Chapin; White Hall over Greenfield; Virginia over Ashland (a repeat); Northwestern above Arenzville; Winchester over Jerseyville (can the Panthers stop the hot-shooting Wildcats?); Pittsfield to top Notre Dame of Quincy (no trouble there); Lanphier over Beardstown; Franklin's up and coming Flashes to whip New Berlin and Waverly ditto Vir-

**RED CHINA WOULD TRY JAPS**  
London, Friday, Feb. 10.—(P)—Tass said early today that Communist China has agreed to a recent Soviet proposal that Emperor Hirohito and four former Japanese generals be tried on charges they waged germ warfare.

The Belair Stud Farm in Maryland, operated by William Wood-Royal Governor, was established in 1747 by Samuel Ogle, then Governor of Maryland.

## Passavant Board Of Governors Enlarged; Building Plans Ready

Announcement that final drawings for the new Passavant Memorial Area Hospital will be forwarded by the architect to state and federal agencies next week was made last night at the annual meeting of the board of governors of the hospital. This word was received with enthusiasm by a large number of governors, trustees and other officials who gathered at the Masonic temple.

Other features of the annual session were the enlargement of the board of governors from 16 to 20 members, with the addition of several from the expanded area, and the unveiling of a large photograph of the late Charles H. Joy, whose bequest of \$148,000 to Passavant was one of the largest it has ever received.

**Drawings To Be Submitted**  
M. R. Range, president of the board of trustees, read telegrams from Edgar Martin, Chicago architect, stating that the drawings will be sent to state and federal officials next week for final approval. This will be one of the final steps toward letting the contract and breaking ground for the new \$2,100,000 hospital which will be built a short distance northwest of the city.

Plans and specifications for the hospital have been prepared within the past seven months. A large number of blueprints were on display at the governors' meeting and were inspected with interest.

**Present Photo of Charles Joy**  
The framed photograph of Mr. Joy was presented to the board of governors and the hospital by Earl M. Spink, who paid tribute to his interest in the hospital, and his wish to leave a substantial sum to benefit humanity. Mr. Spink said there were others in the community who are motivated by the same desire, and that in the future the Passavant Memorial Area Hospital endowment fund may rise to \$1,000,000 through the bequests of its friends.

The photograph of Mr. Joy was placed on an easel in the front of the room. It will be placed in the new hospital when the building is completed.

Mr. Range, the presiding officer, said the funds left by Mr. Joy probably will be combined with the S. W. Nichols bequest and used for the erection of a new nurses' home to

## Sorority Meeting Held At Home Of Mrs. Joe Ingoglia

Each guest of Mrs. Joe Ingoglia was given a red heart upon entering her home for a Beta Sigma Phi sorority meeting. During the evening a prize was to be given to the holder of the lucky heart. Mrs. Lola Johnson received the prize. Mrs. Gladys Crawford presided over the business session and led the group in repeating the rituals of the sorority.

Miss Margaret Fitzpatrick, secretary, and Mrs. Don Quigley, treasurer, gave reports.

Plans were discussed for obtaining new members for the Exemplar Chapter. Mrs. Lola Johnson, vice president, is in charge of this project.

Present officers were appointed to serve as a nominating committee of officers for the ensuing year. This committee consists of Mrs. Crawford, Mrs. Lola Johnson, Mrs. Don Quigley and Miss Margaret Fitzpatrick.

The program for the evening was presented in accordance with "International for Exemplars" and was taken from the study book "Theatre To Life." Mrs. Ingoglia was introduced by Mrs. Lowell Dodson, Program Chairman. Mrs. Ingoglia presented a lesson on "Restoration To Today." She told of interesting phases of the early life of the theatre and actors from the Puritan age up to the present.

Biographical sketches on life and works of Ibsen, noted Norwegian dramatist, and Harley Granville Barker, a British playwright, were presented.

Refreshments were served by the hostess after the program. The lace covered tea table was centered with a large crystal bowl of red carnations, roses and tulips.

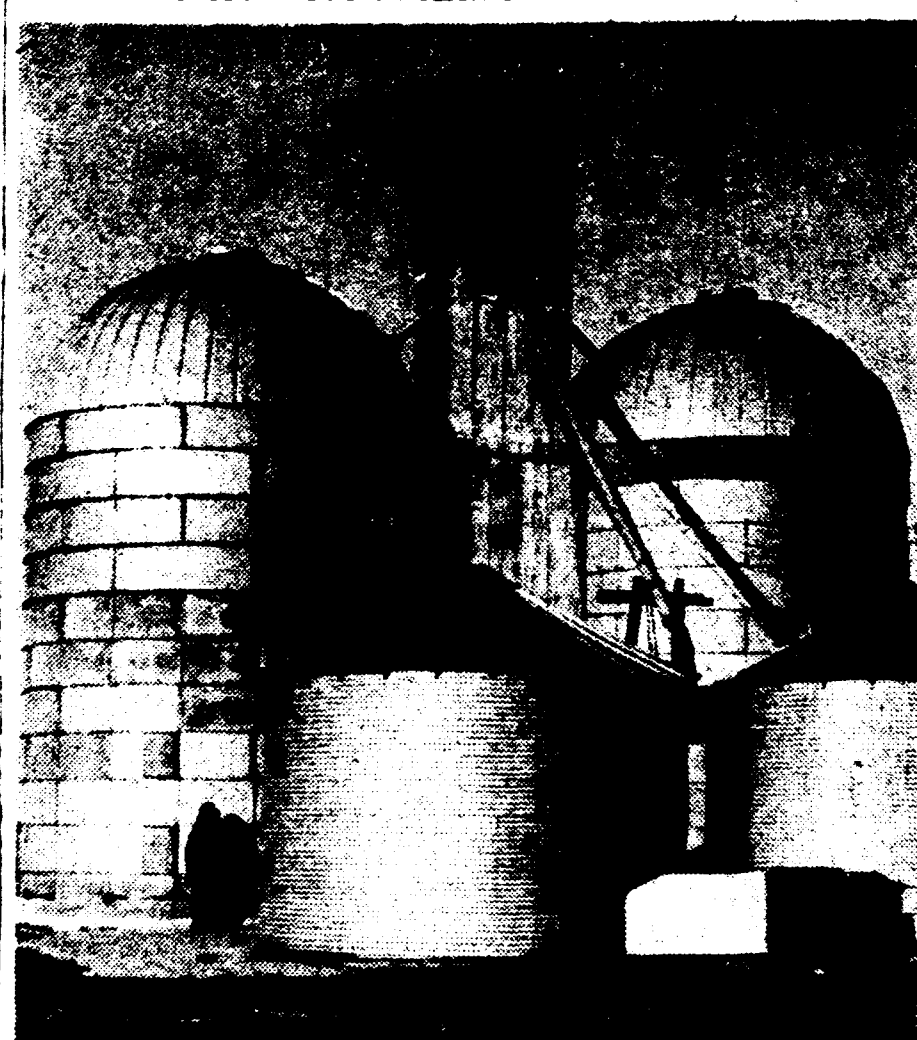

Tea was served by Miss Ann Wakely Jackson and Miss Gladys Crawford.

The guest prize was awarded to Miss Jackson, former educational director of the group.

The former social sponsor, Mrs. Leola Hutchison, was unable to attend.

The next regular monthly social meeting of Xi Lambda Chapter will be held at the home of Mrs. Don Quigley, 857 W. State street, on Monday, Feb. 20.

## CHAPIN INSTALLATION STUDIED

By the Journal Courier Farm Editor

Urbana—A Morgan county grain drying and storage unit was studied here Thursday morning at a Farm and Home Week conference. Pictures of various portions of the unusual structure were examined critically by the owner, George Oberbarte of Chapin, was called upon to answer a long list of questions.

Many farmers here are interested in the artificial drying of grain. Some of them believe it could be the No. 1 weapon against the cornborer, since corn could be planted later and still be husked in the early fall, although the moisture content would be too high for safe cribbing.

**For All Grain**  
Mr. Oberbarte said the unit had been used for corn only, but that he expected to use it for this year's oats and soybean crops.

"I plan to combine oats just as soon as I can get the straw through the combine. And soybeans the same."

The two big tanks hold 7,500 bushels each. The two smaller bins are primarily for drying, but another 3,200 bushels could be stored in them.

They have a false floor made of perforated steel, 36 inches above the ground. A portable heater and blower forces warm air through the grain.

**Drying Costs 2c A Bushel**

The installation cost about 52c a bushel, Mr. Oberbarte said, "including the highest priced drier on the market. It cost \$1,800. Drying costs last fall were a little less than 2c a bushel."

"We began picking corn when the moisture content was 17%. The corn was picked and shelled with a machine we rigged up, a small John Deere sheller on a two row Minneapolis picker. It worked fairly well."

Charles Cleeland of Troop No. 111, Congregational church, Don Caldwell, Scoutmaster; Dean Perkins and Jim Wallace of Troop No. 113, South Jacksonville school, H. L. Steelman, Scoutmaster; and Virgil Huseman, Richard Hayes, Dick Bartholomew, Delbert Mueller and John Wayne Williamson of Troop No. 160, Bluffs Civic club, Merton Pond, Scoutmaster.

**First Class Awards Given**  
The first class awards were presented by Bradford Perkins to Joe Sommers and Bill Spencer of Troop No. 102, Olen Gotschall and Tom Stubbfield of Troop No. 103 and Bruce Bafton, Fred Cody, John Cody, John Conant and Don Covey of Troop No. 107.

James Otto of No. 102 received merit badge awards from William Fanning for life saving, pioneering, swimming, pathfinding, safety, public health, personal health and home repairs. Other merit awards were given to Lee Bridgeman of the same troop; Don Borchering, Bill Brunk, Norman Crawford, Harold Curtis and Donald Ervin of Troop 103.

Members of Troop 107 who were similarly honored were Bruce Barton, Roger Cannell, Gerald Cully, John Cody, Donald Covey, Byron Knight, Gerald Knight, Larry Mentler, Robert Smith, William Quinn and Fred Cody; members of Troop 111, David Drennan and Bruce Samore; of Troop 160, Dick Bartholomew, Garret Pearmeyhough, Richard Hayes, Earl Tash, Leo Watson and Jim Wolford.

**Present Rank, Eagle Awards**  
Star rank awards were presented by Reid Martin to Don Borchering of Troop 103 and James Otto of Troop 102. Life rank awards, given out by Edward Barger, went to Harold Ashbaker of Troop 119 of Woodson, N. H. Crain, Scoutmaster, and to John Megginson of Troop No. 107.

W. O. Randall presented the eagle award, the highest a Scout can achieve, to Jack Keelan of Troop 112, Illinois School for the Blind, N. H. Crain, Scoutmaster; the silver eagle palm to William Burns of Troop 112, and the second gold eagle palm to William Brunk of Troop 103.

Harry Story presented an advancement plaque to James Conover and an attendance plaque to Thomas T. Coyle, both for Unit 107.

## British Strings Thrill Civic Music Patrons

By Joachim Stenrel

The third concert of the Jacksonville Civic Music Association will have convinced a large number of listeners that they should abandon their long-cherished belief that string music is "difficult to listen to." When we have as peerless a group of interpreters of string quartet music as we had last night, we come to realize that actually there is perhaps no more harmonious blend in the entire field of music than a sole violin, accompanied by three other strings.

We have never heard anything that could match in tenderness and delicate fragrance the strains of Sidney Griller's Stradivarius violin in the interpretation of Haydn's celebrated "Serenade," and Tchaikovsky's equally celebrated "Andante Cantabile," which the quartet presented as an encore at the conclusion of their concert.

The Griller Quartet played three groups last night, the first and last of which were dedicated to classics in the quartet repertoire, Haydn's opus 64, No. 6, and Mozart's "Hunt." Both of these works were executed with rare perfection in the matching of the instruments and perhaps it should be noted that the relative position of the instruments (with the lower instruments placed in the rear) contributes not a little to the balance that was achieved.

However, the most extraordinary numbers of the program were in the second group—Ernest Bloch's "Night" and "Tonga Taboo" of the same composer, which the quartet presented as an encore before the intermission. The Griller has long been acclaimed as the foremost interpreter of Bloch's music; and they certainly proved that they well earned that reputation—in the first work, "Night," they managed to translate the mysterious and subdued sounds of soft pizzicato and muted strings into an almost visual impression of darkness; and in the "Tonga," Bloch's description of a native dance in the Pacific, the quartet produced such a bewildering array of imitative effects, both in instrumentation and rhythmic pattern, that one almost felt transported into the locale of a Northoff and Hall novel.

**Will Be Obsolete**  
Mr. Oberbarte stated that "although my outfit does good work, I feel that it will be obsolete in less than five years. I think somebody is going to figure out a method of bin drying, where the bin is located on the top of the storage tanks. After the grain had been dried correctly, it would fall into the storage tanks below. This would cut out a separate operation we have to do now."

"Of course, the heavier steel needed to support the upper drying bins and the heat pipes would add to the first expense, but it would probably be worth it."

Another speaker on the grain storage problem conference was H. M. Combrink of Carrollton, state PM committeeman. He urged building more space to keep more crops stored on the farms where they were raised.

**Last Rites Held For G. A. Cooper At Manchester**

Funeral services for George Armstrong Cooper, well known resident of Manchester, were held Monday afternoon at 2 o'clock at the Manchester Baptist church. Rev. G. E. Presley officiated.

Floral offerings were cared for by Mrs. Libbie Postlewaite, Mrs. Pearl Hull, Mrs. Grace Pigg, Mrs. Eunice Craig, Mrs. Mattie Roach and Mrs. Clara Vaniter.

Palibors were Emory Funk, Russell Duncan, Earl Blackburn, Carl Brown, Wayne Hudson and Roy Barnett. Honorary pallbearers were Oscar Boston, James Walker, Charles Heaton, Henry Hudson, T. H. Ballard, John Elliott, John C. Robinson and Glenn Funk.

Burial was made in the Manchester cemetery.

**Mrs. Ida Phelps Of Winchester Dies At Passavant**

Winchester—Mrs. Ida Phelps died Thursday at 3:30 p. m. at Passavant hospital in Jacksonville after fracturing her hip in a fall at her home here the preceding day.

Mrs. Phelps was born January 31, 1867 at Grand Chain, Illinois.

Survivors include three daughters, Mrs. F. V. Wright of this city, with whom Mrs. Phelps resided; and Mrs. John Redfield and Mrs. W. T. Denby, both of E. St. Louis.

The body was brought to the Danneberg Funeral Home in this city where funeral services will be held Saturday afternoon at 2 o'clock at the Baptist church. Rev. John Scott will officiate.

The family will meet friends at the funeral home Friday from 7 to 10 p. m.

**Roodhouse Couple To Observe 60th Wedding Date**

Roodhouse—Mr. and Mrs. L. B. Harding of route 4 will celebrate their 60th wedding anniversary Sunday when they open house between the hours of 2 and 4 p. m.

Mr. and Mrs. Harding were married in Scottville. They are the parents of one son, Nolan, who is a resident of Jacksonville.

Mrs. Harding was the former Rowena Spencer.

**COUNCIL OF MEREDOSIA HAS WATER CONTRACTS**

At a special meeting of the Village Council of Meredosia, on Tuesday evening, the contracts were let for the construction of a municipal water system. They were let by sections, building and pumps to Bates and Dungey, Sparta, Ill.; water storage tanks to Chicago Bridge and Iron, Chicago; water main distribution system to Bates and Dungey; service distribution system to Bates and Dungey. The actual construction will probably begin some time in March.

## DAR Awards Presented At Thursday Meeting; Talk On Lincoln Given

Miss Mabel Goltra presented the D.A.R. pins and certificates to four award winners when the Rev. James Caldwell chapter met in the Duniap hotel on Thursday afternoon, with Mrs. George E. Boxter, regent, presiding. Bruce Wheeler, former Springfield superintendent of schools, gave an address on Lincoln, and Mrs. Barr Brown, music chairman, presented Miss Frances Melton and Miss Elizabeth Hardy in a piano and voice program. Delegates to the conferences were nominated.

Recipients of the awards were Miss Joan Winstead of Jacksonville high school, Miss Bertha Nelson of Franklin, Miss Alice Robson of Waverly, and Miss Betty Heitbrink of Meredosia. This honor is given annually by the group on the basis of dependability, service, patriotism and leadership.

**Tells Of Lincoln At Salem**  
Mrs. Paul Allyn, program chairman, presented the speaker, who told of the profit Lincoln gained through the contacts he made at Salem. He himself had taken some famous people to Salem, he said, including the Brazilian ambassador.

"A great deal of thought and research has gone into its reconstruction," he added.

Mr. Wheeler stated that Lincoln mingled with people from New England as well as from the south and learned a great deal from their differing ideas, at an impressive time in his life. Quoting a number of the president's sayings and stories, he said that Lincoln understood people because he first understood himself. He was able to adapt himself readily and often told jokes at his own expense.

The speaker commented on the pure, delicate English of writings such as the Gettysburg Address and the Emancipation Proclamation and remarked that the volume of writings on Lincoln was steadily increasing.

**Mrs. Ewert Reads Lesson**  
Mrs. Arthur Ewert, chaplain, read a scripture lesson and recited George Washington's Prayer after the flag pledge, the singing of the national anthem and the reciting of the "American Creed."

Tea was served from a table decorated with red roses and red tapers. Hostesses were Mrs. Fred Randall, chairman; Mrs. Harry Andre and Mrs. W. W. Gillham. Mrs. O. F. Buff and Mrs. Harry Andre poured.

An executive board meeting was held previous to the afternoon session.

**Eskimo Woman Speaks At Kiwanis Thursday**

Anaeta of Baffin Land held Kiwanis spellbound Thursday night as she vividly described her native land, a large island of 238,000 square miles in the arctic west of Greenland. A fair-skinned Eskimo lady with graying hair who frankly said she had no idea of her age, Anaeta told of life in snow houses where the temperature averaged 60 to 70 below zero.

"The cold is really not so bad. It is a dry cold and you don't mind it at all," she declared. "If your ears become frozen, you just rub them gently with a little snow."

**Disregard Time's Passing**  
The natives of Baffin Island live entirely without regard to time. They have no clocks, no calendars, no radios, and never keep track of the days or years. Their only contact with the outside world comes once each year when a supply ship from London arrives.

Anaeta made clear that while one has yet established where her people came from, they are not related in any way to the Alaskan Eskimos of Asiatic origin. "We live on the meat we kill but we are not fat eaters," she said.

**Tells Of Eskimo Summer**  
Wearing a fur summer Eskimo dress, Anaeta related incidents of the short six weeks summer period in the far north when the sun shines all the time. During this time the Eskimos live in skin tents even though the ground is always frozen an inch or so below the surface.

Anaeta, who appeared here Wednesday on the MacMurray College campus.

**Rotarians Mark Farmers Night At Roodhouse**

Roodhouse—Local Rotarians observed their annual farmers' night at a dinner meeting held Wednesday with 70 members and guests present.

Dr. A. B. Applebee of Jacksonville, guest speaker, addressed the group on his recent European travels.

**Mrs. W. H. Wolfe Hostess To Sorority**  
Zeta Pi chapter, Delta Theta Tau sorority, met Wednesday evening at the home of Mrs. W. H. Wolfe. Mrs. Ralph Beck was assistant hostess.

Following the business session, which was presided over by the president, Mrs. Clarence Sutton, the evening was spent socially.

**Takes Barber Examination**  
Harvey R. Hodge has returned from Chicago where he took the State Board examination for barbers. Mr. Hodge completed a six months' course at the Capitol Barber College on Jan. 4.

**GIVES SURPRISE PARTY ON HUSBAND'S BIRTHDAY**  
Mrs. Guy Grady held a surprise birthday party for her husband at their home, 752 E. College avenue, on Feb. 7.

Present were Mrs. Dorothy Byram, Mrs. Rosa Carey and granddaughter Cheryl, Mrs. Maggie Scroggins, Roy a Rutherford, Mr. and Mrs. Morris Grady and daughter, Sharon, and John, Johnny, and Edward Madden and Guy Grady.

**AUTHORIZES BUILDING**  
Washington, Feb. 9.—(AP)—The senate today passed and sent to the house a bill authorizing about \$500,000 of military construction projects.

**NOTICE**  
I am not responsible for any debts other than those contracted for by myself.  
William H. Releford

**INHALES PEANUT BUT DOCTOR GETS IT OUT**  
Dixon, Ill., Feb. 9.—(AP)—Whit Gloria Frank, 17 months old, inhaled a peanut Tuesday while eating a cookie, she was reported near death. But a surgeon plucked the peanut from one of her lungs yesterday and she was reported in good condition today.

She is a daughter of Mr. and Mrs. Lyle Frank of Tampico, Ill.

**PARENTS OF DAUGHTER**  
Mr. and Mrs. Harold E. Mason of Metropolis, Ill., are the parents of a daughter born Feb. 8. Mr. Mason is the son of Mr. and Mrs. C. W. Mason of this city.

**RUMMAGE SALE SAT.**  
Back of Jail

## Kiwanians Ready To Don Waiters' Aprons

"Mobilizing to put over the first 'Pancake Day' in Jacksonville's history, the members of the Kiwanis club signed up to serve as waiters at Cosgriff's cafe next Monday, Feb. 13th, in different shifts throughout the day. The Kiwanians, using this novel means of raising funds to carry forward their program of community service, will serve each customer at Cosgriff's Monday all the pan-

cakes he can eat, with plenty of butter, syrup, sausage and coffee.

The waiters on the various shifts are as follows:

7:30 a. m. to 9:30 a. m.—Don McDermott, W. L. Pay, Paul Rowland, McKendree Blair, Leslie Huston, Sam Weller, Don Caldwell.

9:30 a. m. to 11:30 a. m.—Everett Conrad, William Young, Hugh Gibson, Lanning Lambert, Paul Hartman, John Taylor.

11:30 a. m. to 1:30 p. m.—Lloyd Graunke, Harvey Green, Darrell Blodgett, Walter Keeran, Jim Bunch, A. W. Applebee, C. Y. Rowe, Brad Turner, John Taylor.

1:30 p. m. to 3:00 p. m.—Wilbur Rogers, Robert Kaufman, Chester Colton, Harvey Adkins, Harold Joy.

3:00 p. m. to 4:30 p. m.—Chester Thomas, A. B. Applebee, George Vasconcellos, Ray Steinheimer, Robert Sibert, Ernest Hilder.

4:30 p. m. to 6:30 p. m.—Harry Hammit, Robert Bullington, Ted Pierce, Lloyd Graunke, John Taylor, Brad Turner, Charles Wright, Hubert Littler.

6:30 p. m. to 8:00 p. m.—Oscar Galoway, Harold Gibson, William Schildman, John Wright, Alfred Henderson, Hayden Walker, Larry Oxy, Ross Bradley, Walter Keeran.

8:00 p. m. to 9:30 p. m.—William Schildman, John Agger, John Wright, Harold Gibson and Jim Walker.

Funeral services will be held Friday afternoon at 2 o'clock in Beardstown.

**EXTINGUISH TRASH FIRE**  
The fire department was called Thursday morning to extinguish a trash fire in Alley D, between College and Beecher avenues.

**Appoint Clifton Davis Assessment Supervisor**

Clifton Davis, a former county commissioner, was appointed supervisor of assessments in Morgan county by the county board yesterday afternoon. Mr. Davis will assume his duties within a few days. The salary of the supervisor of assessments is \$3,500 per year.

He will be the first man to fill this office, which was created in Illinois contests by the state legislature only a short time ago. Mr. Davis will be in charge of all assessment activities which have formerly been handled in the treasurer's office.

An office will be opened in the court house for the supervisor of assessments, the location to be announced later.

Mr. Davis has resided in the Pisgah precinct practically all of his life. He served three terms as a member of the county board of commissioners, and is well acquainted with tax matters. He has served as president of the Morgan County Farm Bureau and on the board of the Morgan Farmers Service company.

For a few months Mr. Davis was in the office of former Congressman James M. Barnes in Washington, D.C. At present he is director of the Orleans Farmers Grain Company and the County Mutual Fire

## Mission Society. Meredosia, Meets At Parish House

Meredosia—The Women's Missionary society of St. John's Lutheran church in this city held its monthly meeting at the parish house Tuesday afternoon. Mrs. Albert Telling and Mrs. Bernita Winkelman and daughter were the hostesses. Mrs. A. H. Unland was lesson leader on "Japan Faces a New Day" by Mrs. John Futch.

Several members read clippings pertaining to the lesson. Mrs. Raymond Scott and Mrs. Albert Telling had charge of scripture. During the business session, Mrs. Lena Kinnett, president, appointed a committee to select members to be leaders during the week of prayer services from Feb. 27 to March 3.

Several members volunteered the use of their homes for the services, which will last about an hour each day. A committee was also appointed for the Easter breakfast. At the close of the business session a social hour was held, after which the hostesses served refreshments. There were 25 members present and seven children.

**Springfield Tax Consultant Talks At Virginia High**

Virginia—James Babcock of Springfield lectured in the high school gymnasium last Monday. Mr. Babcock has been a tax consultant for the past ten years and during that time has operated nine offices which gave bookkeeping and tax service throughout this state.

At the present his home office is in Springfield, and he has branch offices in Jacksonville and Quincy. He is equipping a mobile unit with modern business machines which will travel from town to town so that tax consultant services will be available to a large number of people.

With the help of his chief of staff, Glen Blakeman, he explained phases of filling income tax blanks. Considerable discussion was held on deductions and exemptions. Students were surprised to discover that there are approximately 14,000 items of deductions that can be legally made by taxpayers.

**Funeral Services**

William H. Cross  
Carrollton—Funeral rites for William H. Cross will be held at the Baptist church in Carrollton Friday at 3 p. m., with Rev. Laurel Grigg, pastor, officiating. Masonic rites will also be conducted. Burial will be in City cemetery.

The body is at the Simpson Funeral Home in Carrollton.

**Mrs. Gertrude Henry**  
White Hall—Funeral services for Mrs. Gertrude Selby Henry will be held Friday at 3 p. m. at the White Hall Christian church. Burial will be in the White Hall cemetery.

**Mrs. Ruby Olivette Elmore**  
Funeral services for Mrs. Ruby Olivette Elmore will be held at the Williamson Funeral Home Friday at 1 p. m., and at the Methodist church in Greenfield at 2:30 p. m.

Burial will be made in Union cemetery, northeast of Greenfield, office.

## Pancake-Sausage Day Of Virginia Kiwanis, Feb. 20

Virginia—Members of the local Kiwanis club are busy with plans for a pancake and sausage day event to be held Monday, Feb. 20, at Sweetman's cafe. Meals will be served by the Kiwanians from 6 a. m. until 9 p. m. and the proceeds raised for community projects.

A hometown "Aunt Jemima" will prepare the dinners from food donated for the project by generous merchants, including Glenn Birnbaum, Producers Creamery, Rozelles Dairy, Jacksonville Dairy, and the Welterow Grocery Company.

Tickets can be obtained from any club member or from the cafe.

**JURY SAYS MEN WHO DIED IN CAR WERE ACCIDENTALLY GASED**

Chicago, Feb. 9.—(AP)—A coroner's jury decided today the deaths of two men in a car parked in a garage were caused accidentally by carbon monoxide poisoning.

The victims were Thomas McCabe, 44, of 244 West 45th place, 42nd ward superintendent, and Roy Daniel, 26, of 249 West 48th place. They were found dead yesterday morning in McCabe's garage.

Daniel's wife, LaVerne, mother of three children, expressed dissatisfaction with the investigation. Deputy Coroner Eugene Ingles suggested she consult the state's attorney's office.

Clifton Davis

## White Hall WSCS Has Annual Meet

White Hall—The annual meeting of the W.S.C.S. of the Methodist

church was held at the church Tuesday with a potluck dinner at noon. Hostesses were Mesdames Ed. Hitch, Perry White, R. V. Price and Allen Brannon. Builders of churches in medieval Italy used the ruins of ancient temples as quarries, according to the Encyclopedia Britannica.

# MAC'S

**THIS WILL BE A RELIEF TO YOU**—Housewives who say they can't feed the family or what Pappy gives them to run the house can find food for thought in the recent experiment of Raymond M. Hilliard, New York City's \$15,000-a-year welfare commissioner. Hilliard kept his own family of six on a food budget of \$95.96 for a month. That's about 52 cents a day per person. If the family had really been on relief, they would have received \$124.50. Hilliard conducted the experiment to justify a recent 7 per cent cut in individual relief food allowances. The family (except Hilliard's aunt) is shown sitting down to one of their "austerity" meals.

## Girl Scout Leaders To Meet Saturday To Plan Activities

Girl Scout leaders of Intermediate and Senior troops will meet Saturday, Feb. 11, at 10 a. m. at Scout headquarters to clear plans for coming Scout events.

Plans for the future include the city-wide programs on Girl Scout birthday in March; the International friendship project, "Schoolmate Overseas"; and plans for the annual cookie sale.

Proceeds from the cookie sale will be used exclusively for the building of the Girl Scout cabin at Lake Jacksonville, plans for the completion of which are well underway.

All leaders are urged to be present at the meeting Saturday morning.

Canned drained kernels of corn may be added to waffle batter. Serve with lots of maple syrup.

**Rev. Ralph Jasper  
Of Winchester  
Attends Seminar**

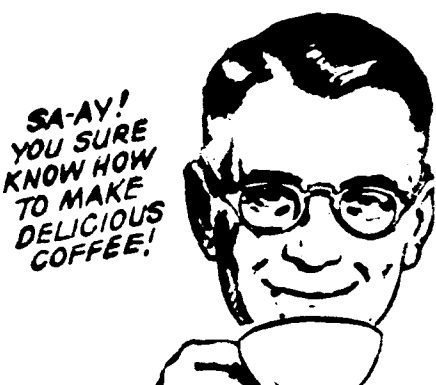

Winchester—Rev. Ralph E. Jasper, pastor of the First Methodist church, Winchester, has left for Washington, D. C., where he will attend the Illinois Methodist church seminar. An event of the seminar will be an audience with President Truman. Rev. Jasper is looking forward to the meeting with the president, as he and Mr. Truman are from the same town. Rev. Jasper arrived in Washington Tuesday morning at 8 o'clock. He will leave Washington Thursday at 11 o'clock. Rev. Jasper is one of the 54 ministers in Illinois who will attend.

The Evening Missionary guild met at the home of Miss Jacqueline Frank with Miss Clarice Belle Campbell as assistant hostess.

Devotions were led by the hostesses. Reports were given by the reading chairman, Mrs. Burl Merriman, and White Cross chairman, Mrs. Robert Coultas. Chapter four, five and six of the study book, "The Seven Stars," were given by Mr. C. R. W. Frost.

During the social period, refreshments were served.

### Society Reveals Mystery Pals

Miss Flora Hall was hostess to the Alexander W.S.C.S. of the Methodist church, with Mrs. Mae Kinnett and Mrs. Carmen Becker as assistant hostesses. A pot luck dinner was served at noon.

The afternoon meeting was in charge of Mrs. Mae Kinnett, president. The group sang "Onward Christian Soldiers" with Miss Hall at the piano. Devotions were led by Grace Reiser. The lesson, "The World Must Learn To Read," was given by Mrs. Edna Strawn. Mystery Pals were revealed during roll call.

Mrs. John Messmore and children were guests. Twenty-one members attended the meeting. The March session of the society will be held at the home of Mrs. Edna Strawn.

### What It Means: The Tax Exemption Dispute

**By Charles Molony  
(For Clarke Beach)**

Washington — President Truman has tackled an increasingly great revenue loss problem in proposing to congress that tax exemptions on certain operations of schools and charities be narrowed. The President was specific—although not detailed—about only two cases where he wants to remove the tax exemptions such organizations usually enjoy:

1. Where business and industrial operations "entirely unrelated to educational activities" have been operated under a school's tax-exempt wing and thus given "competitive advantage" over fully taxable enterprises in the same line of business.

2. "Where the exemption accorded charitable trust funds has been used as a cloak for speculative business ventures, and funds intended for charitable purposes, buttressed by tax exemption, have been used to acquire or retain control over a wide variety of industrial enterprises."

The Treasury has shown concern over the revenue lost through these channels and now has two cases in court in which it is attempting to subject college-owned businesses to regular corporate taxes. One deal with an important spaghetti-macaroni firm, C. F. Mueller Co. of New York, which is owned by a trust of which the beneficiary is New York University. The other case involves a plant of the Century Electric Co. of St. Louis and William Jewell College of Missouri.

While these cases remain unsettled, there have been other instances of colleges acquiring business interests by investment of their endowment funds as well as under the wills of alumni who die.

The Treasury established through a questionnaire published recently that \$8,175,932,000 in receipts from "business" operations were taken in during 1946 by tax exempt organizations which answered the questionnaire. And, the Treasury said, only a minority of the tax exempt organizations sent it data.

Rep. Mason (R-Ill.), a member of the House Ways and Means (taxation) Committee, estimated that the total volume of these receipts approximates \$50,000,000 annually and that the government loses about \$1,000,000,000 a year in taxes as a result of exemptions.

### Roodhouse O.E.S. Holds Initiation

Roodhouse—Initiating ceremonies were held Friday evening by the Roodhouse chapter No. 571, O.E.S. in the Masonic Hall, at which time Mesdames William Admire, Joe Denney, Daniel Harp and O. D. Harp became members of the order.

Each of the new members were presented with an eastern star pin by worthy matron Barbara Nebergall in behalf of the ladies' husbands.

Refreshments were served by the hostesses, who were Mesdames Ray Camp, Robert Shaw, Paul Ballard, Eugene Kirgan, Harvey Hodge and Homer Rimbey. Soloist for the evening was Mrs. Lee Smith.

Guests were present from Alton and Manchester.

Attending the concert given by the Indiana university men's concert choir at the Jacksonville high school auditorium Monday night were Mrs. W. J. Bucklin, Mrs. Ethel Cuddy, Mrs. Katherine Gilmore and Mrs. Margaret Sullivan. The concert was under sponsorship of the band parents association.

### Worker Shoots The Works

Sydney—A ship's plater from Barrow-on-Furness is in Sydney on the first leg of a "soft" trip around the world. He is Robert Crone, 54, who says he is spending his life's savings on the trip.

He told newsmen: "I want to live soft for a year and go broke in the process." He said he is going to spend about \$2,240 seeing Australia, New Zealand, Tahiti, Panama, and America. Already he has spent about \$1,387 on shipping and airline tickets.

Crone said he has been working as a plater for \$21 a week. He added with a smile: "I will be broke but happy when I return to my job."

**BRITAIN SEEKS  
TAPESTRY DOLLARS**

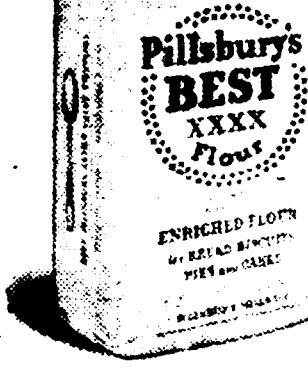

London—(AP)—Britain hopes to earn dollars this year with an old native art form using modern design—tapestries. Six tapestries such as it is hoped to sell in the United States were exhibited here by the Arts Council, official patron of the arts.

### Valentine Day Surprise— baked alaska and steaming, fragrant coffee

**BAKED ALASKA**

1 pint packaged vanilla ice cream  
1 pint packaged chocolate ice cream  
1 pinch round layer sponge cake

1/2 teaspoon salt  
4 egg whites  
1 teaspoon vanilla  
1/2 cup sugar

Keep ice cream frozen very hard in cartons. Cut 2 strips of sides of cake, leaving oblong about 4 1/2 inches by 8 inches. Put on baking sheet and place in refrigerator. At dessert time, heat oven very hot (500° F.). Add salt and vanilla to egg whites; beat with rotary or electric beater until stiff but not dry; gradually beat in sugar, making very stiff meringue. Remove ice cream blocks from cartons and place side by side on cake. Quickly cover cake and ice cream with meringue. Brown in hot oven about 1 min. Transfer to platter, surround with Valentine candy hearts; serve at once. Makes 8 servings.

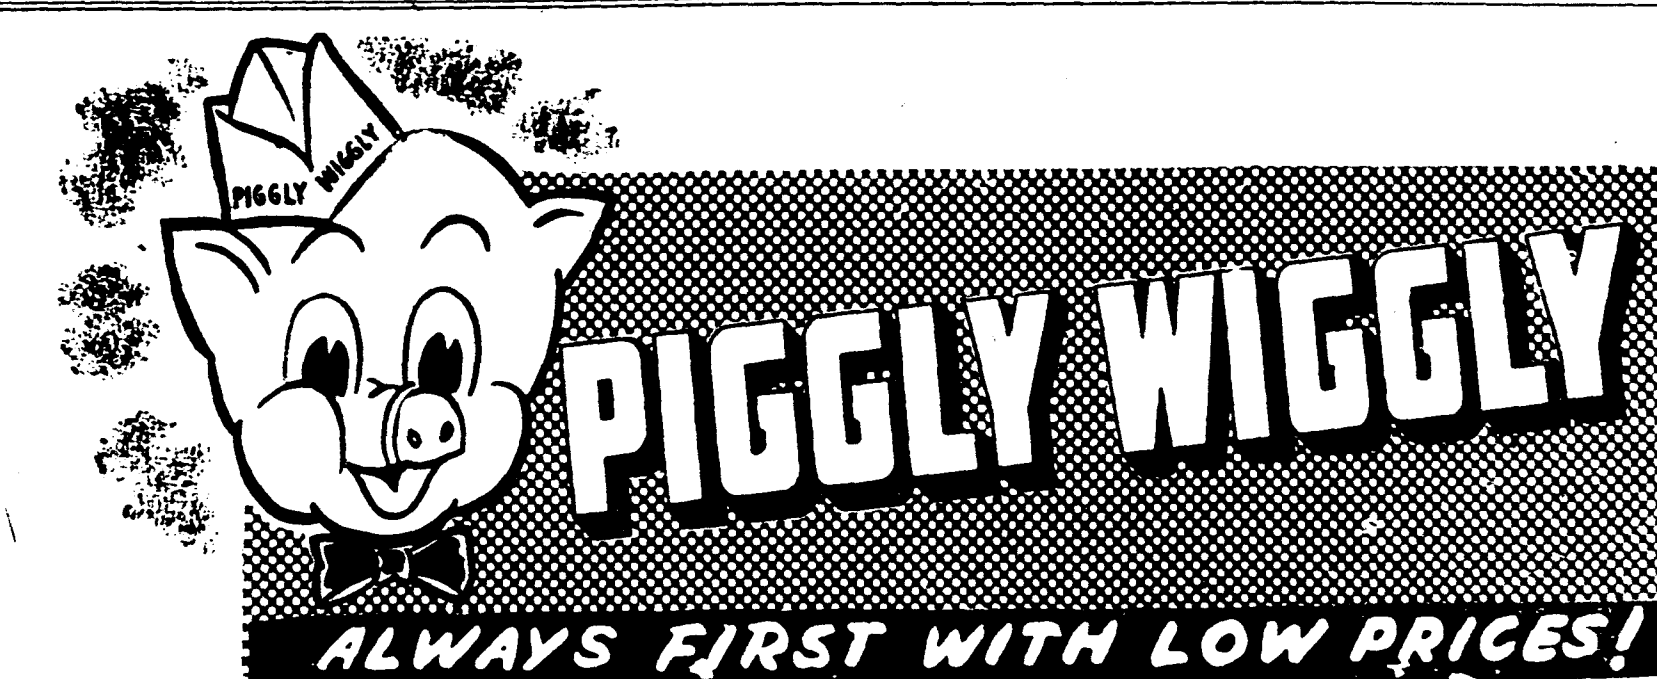

Serve with Hills Bros. Coffee

Baked Alaska is child's play to make... and it's so delicious served with fragrant, flavorful Hills Bros. Coffee. Because you can count on the same rich flavor in every pound, the purchase of this fine coffee is smart buying. It's a skillful blend of the world's finest coffees... and "Controlled Roasting," an exclusive Hills Bros. process, roasts the blend a little at a time—continuously—for flavor-perfection. Vacuum-packed for utmost freshness.

chairmen of various standing committees will be announced. Five new members were admitted to the club. They are Miss Margaret Cody, Mrs. A. H. Unland, Mrs. Harry Pirtle, Mrs. Charles Brust, and Mrs. James Major.

Plans were decided upon for the minstrel. The date has been set for Friday evening, March 10.

Mr. McCartney, band instructor, played two trumpet solos, accompanied by Mrs. Howard Edlen. Paul Habben sang two vocal solos, accompanied by Mrs. Hal Naylor.

At the conclusion of the meeting refreshments were served by the hostesses, Mrs. Gertrude Edlen and Mrs. Howard Edlen.

News Notes

Mrs. Nell Deppe and grandson, David Smith of Jacksonville, and Mr. and Mrs. John Deppe of Washington, D. C., visited last week with Mrs. Laura Moultray.

Mr. and Mrs. Charles Schmitt spent Sunday in Petersburg, Ill., visiting with Fred Schoneis, and Mrs. Frank King of Amarillo, Texas.

Mr. and Mrs. J. C. Brown and son, Harry, Mr. and Mrs. William Taylor and daughter Marcia visited Sunday with Mr. and Mrs. Harry Morris in Urbana.

Those attending the funeral of Mrs. Carrie Vannise, at Palmira, Mo., were Mr. and Mrs. Elmer Hinnners, Mr. and Mrs. Elton Hinnners, Mr. and Mrs. Walter Puls, and Harold Unland.

## Yemen Studies Oil Dispute

Cairo — (AP) — The "Forbidden Kingdom" of Yemen has a new quarrel with Britain. A Yemenese spokesman said the South Arabian kingdom is investigating reports that American and British oilmen have been exploring the Shebawa area on the Yemen-Aden Protectorate border for possible petroleum reserves. Britain controls Aden Protectorate.

## WEEDS HELP ART

Los Angeles — (AP) — Weeds are a nuisance to most folks. But to Mrs. Caroline Martin they are raw materials of art. Mrs. Martin strips the buds and blossoms from weeds in her back yard and vacant lots and fashions them into miniature floral arrangements.

Most of her miniatures are under six inches high. The smallest is a bouquet tucked into a bead which serves as a vase. She uses such odd subjects as 22 caliber cartridges, buttons and pill boxes as bases and supports. Head of the Los Angeles Garden Club's miniature section, Mrs. Martin has won two first prizes for her work at the International Flower Show.

## Lutheran School To Be Dedicated At New Berlin

New Berlin — On Sunday afternoon, February 12, at 2 o'clock, the new school of St. John's Lutheran church will be dedicated with a special service in the church to which the public is invited. The speaker will

be the Rev. Prof. M. J. Naumann, professor of Education at Concordia Seminary, Springfield.

The New Berlin Community Club will hold its monthly meeting February 13 at 8 p.m. in the American Legion Hall. All members and interested persons are invited to attend. A representative from the Ill. State Dept. of Education will be the speaker.

New Berlin Woman's Club met Friday at the home of Mrs. George

Bergschneider, J. E. Crum, Supt. of School Dist. 16, spoke on "International Relations." The following high school students also took part in the program: Deiores Sullivan, piano solo; Lillian Shuff, solo, accompanied by Nadine Brainer, Mrs. Lester Draper of Pawnee, 21st Dist. Woman's Club president, and Mrs. Harry Burt, Sangamon County President, were guests.

Mr. and Mrs. H. P. Zude spent the week end with relatives at Alpha The Island Grove W.S.C.S. will

meet at the home of Mrs. J. E. Crum, Wednesday, February 15, with potluck dinner at noon.

Mu Beta met Monday evening at the home of Mrs. George Bergschneider for dessert bridge with Miss Bernice Scott as hostess. Plans were discussed relative to the spring party.

Mr. and Mrs. John F. Horn spent Saturday in Champaign. Their son, Lee, a member of the mid-year graduating class of the U. of I., accompanied them home.

## French Birth Rate Still High

Paris — (AP) — France, whose low birth-rate caused concern to national leaders before the war, is now producing more babies. Official statistics for 1949, just issued, show 840,000 births during the year as compared with an annual average of about 630,000 in the immediate pre-war years. The number of marriages in 1949 was about 320,000, a slight decrease as compared with 1948. Official estimate placed the population of France for the year at around 42,000,000.

## Mission Group Of Franklin Has Regular Meeting

Franklin—The Evening Missionary society of the Methodist church met Monday evening with Mrs. Gladys Dahman, with 14 members present.

Devotions were led by Mrs. Luna Hazel. Mrs. Jennie Dason gave the program on "Interesting Facts About Well-Known Hymns" and "Sunday Songs."

Contests were conducted by Mrs. Madge Hays. Winners were Mrs. Blanche Jewsbury and Mrs. Alice Keplinger.

Mr. and Mrs. Fred Jewsbury of Jacksonville were dinner guests Sunday of their son and daughter-in-law, Mr. and Mrs. Clarence Jewsbury. Mr. and Mrs. Harold Hills of Jacksonville, brother and sister-in-law of Mrs. Jewsbury, were afternoon guests.

Mrs. Ida Miller, who has been a patient at Passavant hospital, returned to her home Sunday. She is being attended by Mrs. Pate of Murphysville, a practical nurse.

Mr. and Mrs. George Richter are parents of a daughter, Mary Jane, born Monday morning at Springfield Memorial hospital.

The Franklin district will be included in the area to be covered by Edward Hopper, recently appointed visiting counselor for the schools of Morgan county.

Mrs. Gladys Keplinger and Mrs. Alma Crain are visiting in Chicago.

## March Of Dimes To Be Continued In Scott County

Winchester—Hester Korty, Scott county chairman of the March of Dimes, reports that the amount of money collected and deposited with her on January 31, was \$648.30. Some of the collectors have not completed their canvass because of weather and sickness.

Miss Korty received a telegram from W. E. Fay, of Joliet, Ill., state chairman of the March of Dimes, stating that Scott county could feel free to campaign as long as it felt necessary. Miss Korty, county chairman, notified Mr. Fay that the campaign would be carried on in February.

One of the two benefit dances was held at Bluffs, Friday night, February 3, and it was attended by a nice crowd. The other dances scheduled to be held at the Winchester High school gym on February 18.

## Lila-Lee Nunn Becomes Bride At Beardstown

Beardstown—The marriage of Miss Lila-Lee Nunn, daughter of Mr. and Mrs. Jesse Nunn of Beardstown, and Sherill Bishop, son of Mrs. Ruth McCleskey of Beardstown, took place Sunday, February 5, at 2:30 p.m. at the Methodist Church in Beardstown.

The double ring ceremony was performed by Reverend R. E. Marton. Mrs. Wendell Moore, sister of the bride, served as matron of honor, and Greg Simock served as best man.

The bride was attired in a navy blue dress with ivory accessories. Her flowers were pink and white carnations. The matron of honor wore a light blue dress with ivory accessories. Her flowers were white carnations.

Those present at the ceremony were Mr. and Mrs. McCleskey of Beardstown, Mr. and Mrs. Jesse Nunn, Mr. and Mrs. William L. Beard of Beardstown, Mr. Wendell Moore of Bluffs, and Mrs. Greg Simock of Beardstown.

Immediately following the ceremony, a reception was held at the home of the bride with the family and a few friends present.

The couple will reside in an apartment at 205 E. 6th St., Beardstown.

Some humming birds weigh under two grams.

## Three Greene Co. Boys To Attend Course On Co-Ops

Carrollton, Feb. 8.—Dorothy Bell of Roodhouse, Neal Twitchell of Greenfield and Fred Hartman of this city, three outstanding young farm leaders of Greene county, have been named to attend the second annual co-op training course for farm youth sponsored by the Illinois Agricultural association.

The school will be held Feb. 5 to Feb. 9 on the campus of the University of Illinois in connection with Farm and Home Week at the University.

The course given the young farmers will present a complete picture of how farmer-owned and operated cooperatives work. Teaching the young farmers about cooperatives is part of the I.A.A. program to develop new leaders who will have the background to run farm cooperatives in the future.

The young men from Greene county were picked by a committee made up of representatives of the local cooperatives and the Greene County Farm Bureau. Each of the three selected have been active in either Rural Youth, 4-H clubs, FFA or vocational agriculture.

The course is being presented by I.A.A. staff members, personnel of the University of Illinois and other farm leaders.

## 33 Members Of Society Spend Day Quilting

Arenzville—The Ladies Aid society of Trinity Lutheran church met at the church basement for an all-day quilting with 33 members present. The meeting was opened with a hymn.

Scripture reading and prayer were offered by the pastor, Reverend W. V. Neuendorf, who also had charge of the topic study.

At the business session with Mrs. Harold Witte presiding, Mrs. Clifford Kays was appointed secretary in the absence of Mrs. Jack Burrus. A letter of thanks was read from Bethesda Lutheran Home for gifts of quilts, utensils and clothing received by it from the aid. Mrs. August Kleinschmidt and Mrs. William Machmeier were appointed to serve on the committee to visit the sick.

Mrs. Lorenz Meyer and daughter and Mrs. Robert Reno and daughter were guests.

Luncheon was served at noon by Mrs. Albert Witte, Mrs. Henry Witte, Mrs. Louis Witte, and Mrs. William Witte, hostesses.

The St. Peters Ladies Aid held an all day meeting Thursday, Feb. 2, in the Parish Hall. The group cleaned

the hall in the morning and quilted in the afternoon.

The business session was called to order at 2 o'clock with Mrs. Earl Hackman in charge of the devotion. During the social hour refreshments were served by Mrs. Herman Lovkamp and Mrs. Edwin Schmale.

**Demonstrates Hair Styling**

Mrs. Willard Huss, a member of the Illinois Valley Cosmetologist Association, talked at the school in home making class one, Wednesday, Feb. 1. She demonstrated hair styling and guests, with a pot luck supper at 7 o'clock.

The C.H.E.Y. met at the St. Peter's Lutheran church with 7 delegates and visitors attending. Supper was served in the Lutheran Hall by the ladies of the church.

Mr. and Mrs. James Manker of this city and Mr. and Mrs. Wayne Wilder of Petersburg attended a Kaiser-Frazer preview of the '51 models in Detroit, Mich., last Thursday and Friday. On their return trip Mr. and Mrs. Manker stopped in Chicago to visit Mr. Manker's sister and family. Mr. and Mrs. Norman Davis and daughter, Mrs. Davis and daughter returned to this city with Mr. and Mrs. Manker.

Glen Hiernan received word here Friday that his father, F. R. Hiernan had an accident. Two cars collided, both cars being badly damaged. Both drivers escaped injury. A potluck dinner was served at the Legion Hall Sunday night for the members of the Catholic church.

Landslides are common in the Himalays, because it is a young range of mountains and hasn't yet settled down.

## Meeting Held By Church Board At White Hall

White Hall—Dr. and Mrs. F. N. McLaren were hosts Monday night to 20 members of the board of the First Christian church, their wives and guests, with a pot luck supper at 7 o'clock. Miss Mae Nichols and Miss Dorothy M. Young, president and publicity director respectively of the Woman's Council of the church were guests.

The regular business meeting of the board was held following the supper, with Norman Bechtel presiding. The March meeting will be held at the home of Mr. and Mrs. Charles Coates.

Byron R. Garrison of Pearl will be lay speaker at the morning service of the First Christian church on Sunday, Feb. 12.

The union evening service of the three churches will be held at the First Christian church at 7:30 p. m. Sunday, A. D. Hermann, pastor of the Woodson Christian church, as guest speaker.

## Dr. Hughes Gives Talk On Atomic Power At I.C.

Dr. Donald J. Hughes, senior physicist at the Brookhaven National Laboratory, Long Island, New York, spoke to a large crowd in Jones Chapel on the Illinois College campus Tuesday evening. In one of the most interesting and informative talks given on the campus this year, Dr. Hughes explained the present peacetime uses of atomic energy and the plans for its future use.

Prefacing his subject with "a short, simple lesson in physics," Dr. Hughes explained the process of nuclear fission and the equipment necessary for utilizing the tremendous energy produced when the atom is smashed. He went on to explain that, science having solved the problem of splitting the atom and producing energy, it is now a problem of engineering to convert this energy into electricity.

### Plants Under Construction

General Electric and Westinghouse corporations are already building plants to do this work. The result will be cheaper electricity because in the process of burning up uranium to create energy, thorium (which is cheap and abundant) is transformed into uranium for further burning, thus assuring a constant, cheap fuel. Dr. Hughes expects these plants to be in production within the next year.

While the speaker felt that it would be feasible to create atomic powered motors for battleships and submarines, he could see no way of atomic energy being used to power automobiles. Although a small atomic motor could be constructed which would produce, from a pound of uranium, energy equivalent to two hundred thousand gallons of gasoline, the shield necessary to protect people from radiation would

have to weigh from 50 to 100 tons.

### Medical Progress Made

Dr. Hughes said that the most important use of atomic energy was in the field of medicine, both diagnostic and curative. He pointed out that already radioactive iodine is being used on an experimental basis in the treatment of cancer of the thyroid. The Atomic Energy Commission is building two hospitals, one in Chicago, which will be used for radioactive treatment of disease.

The address was followed by an extended question period which was continued by students and faculty during a reception held for Dr. Hughes at the home of President and Mrs. Hudson.

### MR. AND MRS. J. WAHL HOLD BIRTHDAY PARTY

James and Betty Wahl of 2264 S. Sandy street were hosts Saturday evening to William and Eileen Edlen at a dinner at 6:30 p.m. on the occasion of the girls' birthdays, which both occurred Feb. 4. The table was attractively centered with a large bouquet of red roses.

An evening of canasta and refreshments followed, with the girls winners of the game.

### FRACTURES LEG IN FALL

Carrollton-Harry Little is a patient in Boyd Memorial hospital as the result of a fall in which he fractured his leg. Little, an employee of Henry Borlin, fell from a scaffold while erecting a quonset hut.

## Jacksonville Boy Is Charged With Automobile Theft

St. Charles, Ill. Feb. 8.—(AP)—Florence Herrin, 15, of 624 Hooker street, Jacksonville, was held in the Kane county jail at Batavia today, charged with auto theft. He escaped yesterday from the Illinois State Training School for Boys.

School officials said Herrin took a car in front of the Baker hotel in St. Charles and drove to south Elgin. He then hitch hiked to Elburn after the car broke down, and was picked up by the village marshal.

Herrin was committed to the school by Judge Paul Fenstermaker in the Morgan county Juvenile Court at Jacksonville Feb. 18, 1948. He was adjudged incorrigible.

### SCOTT WOMAN INJURED

Winchester—Mrs. Edward Phillips suffered a fractured hip when she fell over an electrician's tool case at the Winchester home of her son-in-law, F. V. Wright, at about noon Wednesday. She was taken to Passavant hospital in the Danner ambulance.

Mrs. Phillips recently celebrated her 83rd birthday.

## Centenary To Observe Scout Sunday Feb. 12

Since the anniversary of the founding of the Boy Scouts of America is the 10th of February, Centenary church is having Scout Sunday at the church.

Olen Gotschall, Scoutmaster of Troop 103, will have his troop in church at the morning worship service. Scout John Gotschall will lead the congregation in the pledge to the flag. Other scouts that will participate include Herbert Flower, Donald Irwin, Henry Jackson, and Kenneth Walker.

At the present there are three Scout units at Centenary church. Olen Gotschall has charge of the youngest Scouts, James Stubbfield the Explorer's unit and Allen Brunk the Senior Explorer's unit. All three groups meet on Tuesday at 7 p.m.

An octette composed of James Berry, Johnny Walker, Dick Godfrey, Richard Aired, Mrs. Lois Harlin, Miss Mary Helen Potter, Mrs. Ruth Hutson and Mrs. Kermit Breen will sing "God's Promises" by Eversole.

Rev. Collins will speak this Sunday on the theme, "On a New Level." The public is invited to attend the morning worship service which starts at 10:45 a.m.

### Crowd Sees Film at Church

A large crowd gathered at Centenary church last night to take potluck and see the film "Unto Thy Self Be True." Rev. Collins acted as moderator, while Pat Lilley, Jack Cole, Wayne Biehl and James Berry discussed the problems presented in the film.

The question that promoted the most discussion was "Should parents tell their child a lie?" Circle No. 1 with Mrs. Ernest Hoagland, leader, had charge of the tables.

## Virginia Funeral For Jack Escorsia

Virginia—A large crowd attended funeral services for Jack Francis Escorsia, well known athletic director in this county, held at St. Luke's church in Virginia on Tuesday, Feb. 7, at 9:30 a.m.

He was coach at Virginia in 1945-46, then went to Arenzville. Pallbearers were Stanley Lovekamp, Max Wessler, Don Koberer, Don Wessler, Harlan Roegge and Merle Lovekamp.

The many floral tributes were cared for by Rena Kruse and Marie Reichert.

Father Michael P. Henchman officiated, and interment was made in Walnut Ridge cemetery.

### REBEKAH MEETING

The regular meeting of Jacksonville Rebekah Lodge No. 13 will be held Friday night, February 10. There will be a potluck supper at 6:30 p.m. followed by the regular meeting.

Mrs. Dorothy Crowder of Springfield will hold a school of instruction.

## U.S. Offers Needy Of Nation Surplus Dried Eggs, Milk

Washington, Feb. 8.—The government dipped into its bulging stock of surplus foods today and offered to give the nation's needy \$115,000,000 worth of dried eggs and milk it has accumulated in the last two years.

It announced that 73,000,000 pounds of eggs and 169,000,000 pounds of dried milk acquired under the price support program are now available for distribution through federal, state and local welfare agencies.

These agencies will pay nothing for the supplies, but must foot the bill for transporting the food from federal storage depots.

About a fourth of the eggs are stored in a huge cave near Atchinson, Kans., with the remainder cached in various warehouses throughout the country. The milk storage lockers are similarly scattered.

The give-away order was announced by the agriculture department only a day after it disclosed plans to build up a new stock of dried eggs in an effort to bolster producer prices for the fresh-off-the-nest product.

The department did not give any estimate of the current market value of the egg and milk surpluses it is giving away. But one official said the egg stocks cost the government \$95,000,000 and the milk \$20,000,000.

## Butter-nut BREAD'S GOOD IDEAS

### KITCHEN TRICK

LINCOLN'S BIRTHDAY Logs—cut chilled, day-old bread slices into 1/2 inch strips, dip in melted semi-sweet chocolate and roll in finely chopped salted nuts. Let cool on wax paper.

### HOUSEHOLD HINT

WHIPPING cream ahead of serving time? Add a teaspoon of dissolved, unflavored gelatin while you whip—and cream will stay high and light!

### RECIPE

#### CHERRY CHIFFON PUDDING

1 Tbsp. gelatin  
1/4 c. cold water  
2 eggs, separated  
1/2 c. sugar  
1/2 tsp. salt  
1 c. hot milk  
1/4 c. halved sour cherries, canned  
1/4 tsp. almond extract

Soak gelatin in water. Heat milk in top of double boiler, add well-beaten egg yolks, 1/4 c. sugar, salt. Cook over hot water until mixture coats spoon. Remove from heat, stir in gelatin. Chill until thick, beat smooth and fluffy. Add cherries, flavoring. Beat egg whites stiff, beat in 1/4 c. sugar, fold into custard mixture. Pour into six custard dishes, chill until firm. Top with whipped cream.

MYERS BROTHERS

**SIDEWALK MODEL**—Shoveling the snow becomes great sport when you use this pint-sized counterpart of the rotary snow plows that clear the highways. The power sidewalk shovel is made by an Omaha, Neb., manufacturer.

## 125 Hear Address By Dr. Applebee At Ashland Meeting

Ashland—The Ashland Community club held "Ladies Night" meeting at the high school building Monday night with 125 in attendance. The dinner was served by the American Legion auxiliary.

Musical selections were provided by soloist Maurice Nord of Springfield, with his wife as accompanist.

The speaker for the evening was Dr. A. B. Applebee of Jacksonville, who spoke on his recent trip to agricultural areas of Europe, with particular emphasis on their brief sojourn in communist dominated Czechoslovakia.

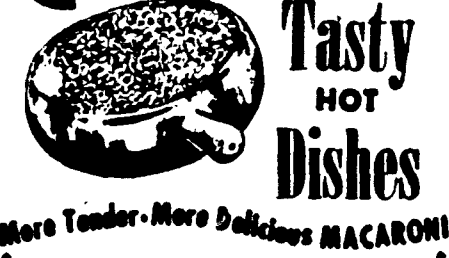

The program committee in charge of arrangements consisted of D. L. Clarke, chairman, E. R. Clemmons, W. R. Walbaum, S. S. Brownback, W. R. Campbell, Wm. Don Gainer.

Walter R. Lohman, club president, appointed a nomination committee consisting of Charles Aggett, John Leahy and Fred Walbaum to report at the next club meeting.

Many trees never were noticed by anyone as being different from any other until botanists discovered and named them.

K.C.-C.D. of A. Valentine's Dance, Friday, Feb. 10. Earl Goforth Orchestra. Members and their escorts only.

## New Lights In Use On W. Court

West Court street from the public square to West street is the newest section of the business district to be brightened by mercury vapor lights, which have been erected on three 30-foot poles. The entire block is illuminated with these new-type lights which are bringing a brand new appearance to the business district.

The lights were purchased by the property owners in the block. Installation was made by the city light department, after which the lights were turned on for the first time Tuesday night.

Nor'n Sandy street from the square to Douglas avenue is the next area where mercury lights will be erected. The property owner in that block have already completed necessary arrangements, and the work will be done within a short time.

East Morgan street from the square to East street has been served by the new-type lights for several weeks.

## HONEY POINT CLUB TO MEET WEDNESDAY

The Honey Point Farm Bureau Community club will hold its regular meeting Wednesday, Feb. 15, at the church basement.

Mrs. Clifford Ackerman and Mrs. Howard Tegeder will have charge of refreshments. On the entertain-

ment committee will be Robert Jud, Curtis Edwards and Dewey Hardwick.

## ONLY BEST INGREDIENTS USED IN FLAKORN CORN MUFFIN MIX

No other corn muffin mix has been able to equal the quality of Flakorn. Compare. Try corn muffins made with this quality mix. You, too, will agree that Flakorn is in a class by itself.
